RE: Village of Sherman vs. Union Pacific Railroad
No. T89-0028

Dear Hugh:

It's my understanding that you were going to meet with the people from the Union Pacific Railroad on or about January 11th. Have we had any progress with respect to the outstanding issues? As you know, I'd like to set this down for a settlement conference as soon as we are in essential agreement. Thank you.

Yours truly,

James D. Kelly
