08 - _____

Joint Petition for Approval of 5th)
Amendment to the Interconnection)
Agreement dated May 29, 2008)
pursuant to 47 U.S.C. § 252)

JOINT PETITION FOR APPROVAL OF 5TH AMENDMENT TO THE
INTERCONNECTION AGREEMENT BETWEEN
IDT AMERICA, CORP. AND AT&T ILLINOIS

Illinois Bell Telephone Company (“AT&T Illinois”) and IDT America, Corp. through counsel, hereby request that the Commission review and approve the attached 5th Amendment to the Interconnection Agreement dated May 29, 2008 pursuant to Sections 252(a)(1) and 252(e) of the Telecommunications Act of 1996 47 U.S.C. §§ 252 (a)(1), 252(e), (the “Act”). In support of their request, the Parties state as follows:

1. The Parties have agreed that the Interconnection Agreement be amended to provide for certain terms and conditions and have entered into this Amendment to set forth such terms and conditions.

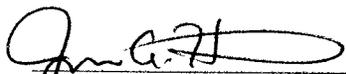

2. Pursuant to Section 252(e)(2) the Commission may only reject a negotiated agreement if it finds that (1) the agreement discriminates against another carrier or (2) implementation of the Agreement would not be consistent with the public interest, convenience and necessity. Neither basis for rejection is present here.

3. Copies of the 5th Amendment are available for public inspection in AT&T Illinois and IDT America, Corp.’s public offices.

WHEREFORE, AT&T Illinois and IDT America, Corp. respectfully request that the Commission approve the attached 5th Amendment to the Interconnection Agreement under Section 252(e) of the Act as expeditiously as possible.

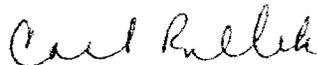

Respectfully submitted this 11th day of June, 2008.

Joint Petition for Approval of 5th)
Amendment to the Interconnection)
Agreement dated May 29, 2008)
pursuant to 47 U.S.C. § 252)

STATEMENT IN SUPPORT OF JOINT PETITION FOR APPROVAL

I, Eddie A. Reed, Jr., am Director-Interconnection Agreements for AT&T Operations, Inc., and submit this Statement in Support of the Joint Petition for Approval of the 5th Amendment to the Negotiated Interconnection Agreement between IDT America, Corp. and AT&T Illinois.

The attached 5th Amendment to the Interconnection Agreement (the “Agreement”) between Illinois Bell Telephone Company (“AT&T Illinois”) and IDT America, Corp. was reached through voluntary negotiations between the parties. Accordingly, AT&T Illinois and IDT America, Corp. request approval pursuant to Sections 252(a)(1), 252(e) of the Telecommunications Act of 1996 (sometimes referred to as the “Act”).

The Amendment meets all the requirements of the Act and the Commission should approve it.

The Agreement is amended as follows:

- On September 21, 2007, the United States District Court for the Northern District of Illinois issued an order reversing, in part, the Illinois Commerce Commission’s (“IL-CC’s”) Order in Case No. 05-0442. The Parties desire to amend the Agreement to revise the definition of the term Mass Market Customers.
- This amendment shall not modify or extend the Effective Date or Term of the underlying Agreement, but rather, shall be coterminous with the underlying Agreement.
- Except as modified herein, all other terms and conditions of the underlying agreement shall remain unchanged and in full force and effect.
