

Intrado Inc. Responses to AT&T Illinois' Data Requests
Docket No. 08-0545
NON-CONFIDENTIAL VERSION

24. Regarding the disputed "attributable to" language in GTC § 15.7, does Intrado view this language as equivalent to (and limited to) "caused by the gross negligence or willful and wanton misconduct of" AT&T Illinois?

RESPONSE:

The "attributable to" language covers any circumstances directly attributable to AT&T that are not covered by limitation of liability as set forth in federal law, state law, and tariffs. One circumstance would be "gross negligence or willful and wanton misconduct" of AT&T Illinois.

RESPONSIBLE PERSON:

Carey Spence-Lens, Vice President-Regulatory & Government Affairs
