Joint Submission of the Amended Plan of Record for Operations Support Systems ("OSS")

Joint Motion for Extension of Time

**RECOMMENDATION:** Grant Motion for Extension of Time.

---

The Commission entered a final Order in this case on January 24, 2001. Included in that Order was a requirement that the parties file the amended Plan of Record within 15 days of the entry of the Order, i.e. February 8, 2001. The petitioners in the proceeding are now requesting an extension of that deadline by 15 days - until February 23, 2001.

As this is a Commission imposed deadline, there is no statutory reason for denying the parties' request. Therefore, we recommend granting the Motion for Extension of Time.
