

**Illinois Commerce Commission
Docket No. 08-0569
Administrative Law Judge's Oral Data Request**

Request:

Provide the number of U-verse lines currently in service by LATA in Illinois.

Response:

Services provided over the U-verse platform (TV, high speed internet and VoIP) are currently available in two LATAs in Illinois, the Chicago LATA (MSA 1) and the St. Louis LATA. The total number of U-verse lines currently in service in each of those LATAs is **BEGIN CONFIDENTIAL** **END CONFIDENTIAL** in the Chicago LATA and **BEGIN CONFIDENTIAL** **END CONFIDENTIAL** in the Illinois portion of the St. Louis LATA. The number of U-verse lines currently in service over which high speed internet service is currently being provided is **BEGIN CONFIDENTIAL** **END CONFIDENTIAL** in the Chicago LATA and **BEGIN CONFIDENTIAL** **END CONFIDENTIAL** in the Illinois portion of the St. Louis LATA.

Witness Responsible: W. Karl Wardin
