ERRATA MOTION

Comes now, WTI Communications, Inc. ("Applicant" or "WTI") and hereby files this Errata Motion to replace some of the Applicant's pages contained in the originally filed Application for a Certificate of Local and Interexchange Authority and Prefile Testimony ("Application"). The changes on these pages were corrected verbally during the hearing on this Application which took place on March 10, 2009.

The Application pages submitted with this Errata Motion correct the Applicant's headquarters location.

Application Item 3 requests a waiver of ILL Administrative Code, Title 83, section 250.10 regarding maintenance of books, accounts, records and memoranda in Illinois and modifies this paragraph to state Applicant offices are in California.

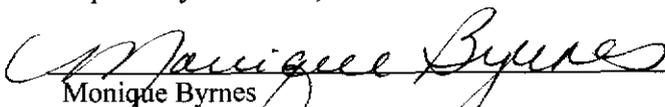

Application Item 13 again refers to the Applicant's headquarters location in Santa Ana, California.

Application Item 9 lists additional locations in which the Applicant is providing service to include Florida and New York.

Applicant Prefile Testimony Page 2 corrects shareholder information stating that Everardo Rodriguez is a shareholder, but not the sole shareholder.

As a result of the hearing, and at the request of Administrative Law Judge Dolan, WTI Communications, Inc. requests the entry of this Errata Motion and attachments correcting the Applicant's original Application and Prefile Testimony.
