Northwest Central 9-1-1 System :

Petition for Approval of :
Modifications to Existing 9-1-1 Emergency :
Telephone Number System :

09-0178

PETITION

Now comes the Northwest Central 9-1-1 System, a Joint Emergency Telephone System Board, and requests Illinois Commerce Commission approval of a modification to its Final Plan in support of which it states the following:

1. That the Northwest Central 9-1-1 System was granted final approval to operate a joint 9-1-1 emergency telephone number system by the Illinois Commerce Commission on March 24, 1993.
2. That the Northwest Central 9-1-1 System was granted approval to revise the Final Plan to operate a joint 9-1-1 emergency telephone number system on December 19, 1997.
3. That the Northwest Central 9-1-1 System was granted approval to revise the Final Plan to operate a joint 9-1-1 emergency telephone number system on January 4, 2006.
4. That the Northwest Central 9-1-1 System was granted approval to revise the Final Plan to operate a joint 9-1-1 emergency telephone number system on April 4, 2007.
5. That Modification to the Final Plan of the Northwest Central Dispatch System is intended to comply with the terms and provisions of "An Act in relation to the designation of an emergency telephone number for use throughout the State."

WHEREFORE, your Petitioner, the Northwest Central 9-1-1 System, an intergovernmental cooperative, prays that the Illinois Commerce commission:

1. Give notice of and conduct a public hearing on this Petition and Modification of the Final Plan at the earliest possible date.
2. Enter an Order approving the Modification of the Final Plan submitted herewith and authorizing the changes of the 9-1-1 Emergency Telephone System described herein.
