CHIEF CLERK'S OFFICE

2009 MAY -4: P 1:20

ILLINOIS  
COMMERCE COMMISSION

PETITION

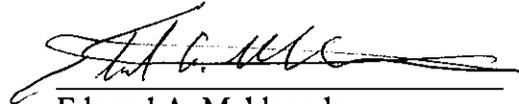

NOW COMES, Telecom AG, LLC (herein "Telecom AG") and hereby petitions the Illinois Commerce Commission (herein "Commission") for emergency relief to protect Telecom AG's Financial Information from disclosure in order to protect highly proprietary information included therein. In support of this Petition, Telecom AG states as follows:

1. Telecom AG is certified by the Commission to provide competitive telecommunications services in the state of Illinois.
2. Telecom AG was required by the Commission to provide financial information in support of its Application for a Certificate of Interexchange Authority (herein "Application").
3. On or about February 2, 2009, Telecom AG was made aware that its Application, and specifically Attachment 4, which contains Telecom AG's financial information in support of its Application, was available to the public via the Commission's website.
4. Section 7 of the Illinois Freedom of Information Act, 5 ILCS 140/7(g), exempts from public disclosure "trade secrets and commercial or financial information...where the trade secrets or information are proprietary, privileged or confidential." Telecom AG's financial information, which is subject matter of this Petition, falls within this exemption.

5. Because Attachment 4 contains critical, commercially sensitive and competitively significant data and falls within the exemption mentioned above, Telecom AG respectfully requests the Commission to enter an Order, without hearing, to have Attachment 4 of the Application be granted protected treatment and removed from further public disclosure.

WHEREFORE, Telecom AG respectfully requests that the Commission enter an Order, without hearing, protecting from disclosure in its entirety Attachment 4 of the Application.

Respectfully submitted,

---
