

2008 Illinois Lighting Equipment Program

**Simply updating
your fixtures can shed
more light on your
bottom line.**

As a business owner, you look for investments with short payback periods and attractive rates of return. Energy-efficient lighting is just such an investment.

As much as 40 percent of your electric bill is for just keeping the lights on

AN OUTSTANDING RETURN ON A LIGHT INVESTMENT

By installing energy-efficient lighting, you can:

- Significantly reduce your electric usage,
- Decrease your monthly energy costs and
- Markedly improve your lighting quality.

What lighting equipment is eligible for rebates?
Eligible equipment includes:

- Fluorescent T-5 and T-8 lighting systems,
- Occupancy sensors,
- LED traffic lights and exit signs,
- Compact fluorescent lamps and fixtures,
- Pulse start metal halide fixtures,
- 360 watt metal halide lamps and
- Refrigerated case T-8 lighting systems.

Refer to the Eligible Lighting Equipment list for detailed lighting eligibility requirements. The Lighting Equipment program is available to all nonresidential customers in Illinois where MidAmerican delivers electricity.

HOW TO PARTICIPATE

Please follow the appropriate procedure described below.

1. Please refer to Eligible Lighting Equipment chart.
2. Installer completes Installing Dealer Information, Lighting Information and Dealer Agreement sections; include Supplemental Information form for high-bay lighting.
3. Customer completes Customer Information, Facility Information, Hours of Operation, Seasonal Operating Schedule and Customer Agreement sections and submits forms, along with copy of itemized and dated invoices, to:

MidAmerican Energy Company
EnergyAdvantage Programs
P.O. Box 7232
Des Moines, IA 50309-7232

or fax to 515-244-8825

Once equipment is operating and application is reviewed and approved by MidAmerican, your rebate check will be issued. Please allow two to three weeks for processing.

Questions? Call MidAmerican at 800-894-9599.

2008 ILLINOIS LIGHTING EQUIPMENT INFORMATION

Disclaimer: MidAmerican does not guarantee that installation and operation of energy-efficient equipment will result in reduced usage or in cost savings. The manner in which a customer uses and maintains energy-efficient equipment affects potential cost savings. MidAmerican makes no warranties, expressed or implied, with respect to any equipment purchased or installed, including, but not limited to, any warranty of merchantability or fitness for a particular purpose. In no event shall MidAmerican be held liable for any incidental or consequential damages or injuries resulting from defective equipment or installation. MidAmerican reserves the right to cancel or change these programs at any time. MidAmerican's acceptance of this application does not guarantee payment of rebate.

2008 ILLINOIS LIGHTING EQUIPMENT APPLICATION

Please complete both sides of this application and attach copies of invoices and include Supplemental Information form for high-bay fluorescent rebates.

Mail to: MidAmerican Energy Company, EnergyAdvantage Programs, P.O. Box 7232, Des Moines, IA 50309-7232 **or fax** to 515-244-8825. Call 800-894-9599 with questions about the program.

ATTENTION DEALERS
Please photocopy this form and save the original for future use or download additional copies at www.midamericanenergy.com/illinois_lighting.

Customer Information

MidAmerican account number(s) (found on bill) _____
 Installation address _____
 City _____ State _____ ZIP _____

TERMS AND CONDITIONS

- The program is available to all nonresidential electric customers in MidAmerican's Illinois service territory.
- **Rebates exceeding \$10,000 require pre-approval by MidAmerican.**
Projects must be completed within six months of pre-approval.
- Rebates are for efficient interior space and traffic lighting only.
- Applications must be submitted within three months of equipment installation in existing buildings and within six months of equipment installation in new construction.
- Itemized and dated invoices from the contractor must accompany the equipment application. Applications must be completed in full; incomplete applications will delay processing and may be returned. Rebates are based on rebate schedule in effect on the date of dealer invoice.
- Rebate checks will be issued to building owner or account holder when equipment is installed in existing building. Checks will be issued to builder/general contractor or building owner when equipment is installed in new building.
- Equipment must be installed and operating prior to submission of application.
MidAmerican reserves the right to verify installations.
- MidAmerican reserves the right to install a metering device on new equipment to verify energy savings.
- Rebates may be subject to income tax. Consult your tax advisor for more information.
- This program is subject to change or cancellation without notice.

ENERGY POLICY ACT 2005 – TAX CREDITS

Consult your tax advisor for any applicable federal tax credit incentives available for installation of energy-efficient equipment.
