PETITION

Comcast Business Communications, LLC ("CBC") hereby files this petition to discontinue the provision of all services listed in its Illinois Tariff Number 1 (collectively, "Discontinued Services"), which it requests permission to withdraw. CBC plans to discontinue the Discontinued Services throughout Illinois on July 1, 2009. CBC also requests that the Commission cancel CBC's certificate to provide long distance services, which it was granted on April 26, 2006 under Case Number 06-0342. *Other Comcast entities are not affected by this discontinuance, as CBC is the only Comcast entity discontinuing any service.*

There are five customers affected by the discontinuance. CBC has sent notice of the discontinuance to the affected customers. Attached hereto as Exhibit 1 is a copy of the notice of the discontinuance sent to all affected customers.

CBC requests a waiver of the Commission's hearing requirement.

WHEREFORE, Comcast Business Communications, LLC respectfully requests that the Commission authorize the discontinuance of CBC's intrastate interexchange telecommunications services offerings in Illinois.

An extra copy of this petition is enclosed. Please date-stamp and return in the self-addressed envelope included with this filing. If you have any questions regarding this notice, please do not hesitate to contact the undersigned.

Respectfully submitted,

Robert Morgan
