To Whom It May Concern:

I truly believe that I have found out some of the problem with the unit I was living in at 1400 N. Avers, Apt 8#! The owner of the Property Mr. Juan Frogoso had all the power of ComEd connected to the unit That I was living in!!! This allowed no one else to pay a bill during the Time I was living in this unit.

Now I have this person address were he can be located with any kind of Court order! During the time of services with Comed I never had my service Shut off at any time, so if I was not paying any monies to the company & A bill is getting totally high due to none payment I should have been shut Off!

I am not going to pay for the entire unit bill & I was not using that much Services from the company; this is not my fault that owners of their units Do theses uncalled for crimes! Yet I admit having services, but I did not Take advantage of stealing their power all the time I lived at that unit. What is now needed to try & help with this matter? I cannot afford to be With out services & I have two small children!!! I need help. Mean time I have been sending in small payment plus trying to get help from Ceda!

Yours, Truly Mr. Aaron Walker:
