Case No. 09-0261

AMENDED PETITION

Comcast Business Communications, LLC d/b/a Comcast Long Distance ("CBC") hereby files this amended petition to discontinue the provision of all services listed in its Illinois Tariff Number 1 (collectively, "Discontinued Services"), which it requests permission to withdraw.¹ CBC also requests that the Commission cancel CBC's certificate to provide long distance services, which it was granted on April 26, 2006 under Case Number 06-0342. *Other Comcast entities are not affected by this discontinuance, as CBC is the only Comcast entity discontinuing any service.*

This Amended Petition is identical to the Petition that CBC filed on May 28, 2009, except that this filing includes the "d/b/a Comcast Long Distance" in the caption, which was previously missing. A copy of the original Petition is attached hereto as Exhibit A.

At the time that CBC originally filed its Petition there were five Illinois customers, all of whom were sent the Notice of Discontinuance that was attachment 1 to the May 28 Petition. All five customers have since transferred service to other providers.

CBC **requests a waiver** of the Commission's hearing requirement.

WHEREFORE, Comcast Business Communications, LLC, d/b/a Comcast Long Distance, respectfully requests that the Commission authorize the discontinuance of CBC's intrastate interexchange telecommunications services offerings in Illinois.

An extra copy of this petition is enclosed. Please date-stamp and return in the self-addressed envelope included with this filing. If you have any questions regarding this notice, please do not hesitate to contact the undersigned.

Respectfully submitted,

Robert Morgan
