Dear Keith Dean:

Re: Agent Feedback

Please be advised that U.S. Energy Savings Corp. has received the following allegation(s) in respect of your marketing activity:

<u>Allegation Type</u>	<u>Allegation Date</u>	<u>Point Value</u>
Disputed Signature	09-Jun-2008	0

Spoke to the AH who claims that she never signed the agreement and that she was not home when this agreement would've signed for. Cx also indicates that the account is not even in her name. Disputed signature form completed b/c feels that it may have been initiated by the IC that visited her home. dhyllton 75138

If you require further information, please contact me at 905 461 2360.

Sincerely,

Frances Findley
