Managerial Qualifications

DOUGLAS G. CUELLER

Vice President-Midwest Operations, CMO

Doug holds a M.B.A. in finance and management from Lewis University and a B.S. in accounting from the University of Illinois.

He joined Santanna Natural Gas Corporation after serving several years with North Illinois Gas as an Accountant and Transportation Gas Analyst.

As the Vice President of Operations based in the Santanna Chicago regional office, Doug utilized his vast local industry knowledge to enhance an already successful customer base and increase the efficiency through further updating and computerization of billing, transportation and balancing of all accounts.

Doug's organizational and motivational skills have been very instrumental in the building of an aggressive and efficient sales and administrative staff in Chicago that has grown to over twenty-five members. Doug Cueller has over 15 years of experience with enterprise financial in the natural gas industry and administrative responsibilities in the natural gas industry and natural gas sales.
