RAIL SAFETY SECTION

Subject: Case Number T08-0112 - Installation of pedestrian crossing sidewalks in Huntley

To Whom It May Concern:

In compliance with the third paragraph of page four, of the Illinois Commerce Commission's (ICC) Order dated July 8, 2009, the Village of Huntley offers the following six (6) month update on the pedestrian railroad crossing installations at the following locations:

Street	Inventory #	Milepost #
Route 47	174560M	55.17
Main Street	174559T	55.14

The Illinois Department of Transportation has included the project within the scope of their larger Route 47 improvement, which is on their January 15, 2010 letting, with an anticipated stage one completion date of October 31, 2010. (This completion date is prior to the December 31, 2010 date issued in the ICC Order). The work will consist of the construction of seven foot (7') wide sidewalks across the railroad tracks at both of the above referenced locations. For project specific questions, please contact:

Bill Geegan, P.E.
Village Engineer
10987 Main St.
Huntley, Illinois 60142
P: 847.515.5210
F: 847.515.5206

The next six (6) month update will be submitted by July 8, 2010. If you have any questions or require more information, please feel free to contact me at (847) 515-5221.

Sincerely,

Rob Scardino, P.E.
Civil Engineer

Cc: Bill Geegan, Village Engineer
John Venice, UPRR Manager of Special Projects
