Technical Background

Paige Finnegan, LEED AP, Chief Operating Officer. Prior to joining e-One this year, Paige was the Director of Sustainable Development at the LEED Council where she developed sustainability programs for local businesses and managed the Chicagoland Green Collar Jobs Initiative. Before that, Paige spent four years with the Midwest Energy Efficiency Alliance (MEEA) managing Commercial Energy Efficiency Training Programs. While at MEEA, Paige worked closely with several electric utilities throughout the Midwest to develop educational programming and best practices for businesses. Paige received a BBA in Economics and a BA in Environmental Management from the University of Iowa and received her MS in Sustainable Agriculture from Iowa State University. Paige is on the Board of the US Green Building Council-Illinois, is on the Steering Committee of the Chicagoland Green Collar Jobs Initiative, and is co-chair of the Evanston Environment Board, where she lives.

Caitlin Dorsey, Director of Research and Compliance. Recruited to join e-One this year, Caitlin was recommended by the University of Chicago Law School for her significant knowledge of Environmental Law. She received her JD from the University of Chicago and BA from Washington University. Caitlin serves on the Young Professionals Board of the Illinois Environmental Council.
