

4. Mr. Marashlian agrees to abide by all of the rules of the Commission and all Illinois court rules that may apply to this proceeding. Mr. Marashlian also agrees to notify the Commission immediately of any matter that would affect his standing at the bar of any court.

5. Pursuant to 220 Ill. Comp. Stat. 5/10-101, an attorney licensed out of state "shall be allowed to appear before the Commission upon the same terms and in the same manner that counselors and attorneys at law licensed in this State now are or hereafter may be admitted to appear in such other state or territory before its Commission or equivalent body."

6. The undersigned represent to the Commission that counselors and attorneys at law licensed in the State of Illinois are allowed to practice before the Maryland Public Service Commission, an equivalent body to this Commission, in matters of this type when an "attorney with a full-time office in [Maryland] is associated with him or her in the matter." See Code of Maryland Regulations, §20.07.01.04(B).

7. Mr. Marashlian is associated with John Madden, an attorney licensed in Illinois and practicing with O'Malley & Madden, P.C. Mr. Madden has filed an Entry of Appearance in this proceeding contemporaneously with the filing of this Motion.

8. Granting leave to Mr. Marashlian would enhance the integrity of the fact-finding process, in that Mr. Marashlian has been representing the Intervenors in regard to the matters that form the basis of their intervention in this docket and is already familiar with the facts of the matter.

9. Granting leave to Mr. Marashlian would enhance the fairness of the process for the same reason. Further, no disadvantage or prejudice would be inflicted on other parties by granting leave.

10. Granting leave to Mr. Marashlian would further enhance the expedition of this docket, since, as noted above, Mr. Marashlian is already familiar with the matters forming the basis of this intervention, and for Intervenors to retain other attorneys in this matter would delay the process while such attorneys familiarized themselves with the law and the facts surrounding the intervention.
