for a Certificate of Authority to)
Provide Commercial Mobile Radio)
Services within the State of Illinois)

10-0186 CHIEF CLERK'S OFFICE

PETITION FOR CERTIFICATE OF SERVICE AUTHORITY

AmeriVision Communications, Inc. d/b/a Affinity4 ("AmeriVision", "Company") hereby petitions the Illinois Commerce Commission for a Certificate of Authority to provide Commercial Mobile Radio Services ("CMRS") within the State of Illinois pursuant to Section 13-401 of the Illinois Public Utilities Act (220 ILCS 5/13-401) and for other relief as described herein. Specifically, AmeriVision requests that the Commission grant this Petition on an expedited basis, without hearing, and to grant the waivers of its rules that customarily have been waived for CMRS resellers. In support of its Petition, AmeriVision states as follows:

1. AmeriVision is a Delaware corporation authorized to do business in the State of Illinois as an Interexchange Carrier and Prepaid Carrier. AmeriVision's executive office is located at:

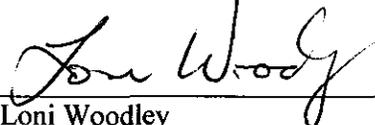

999 Waterside Drive, Suite 1910
Norfolk, VA 23510
2. The Commission previously granted AmeriVision a certificate of authority to operate as an Interexchange Service Provider in December of 1995 in Docket No. 5863-510-3.
3. Section 13-401 of the Illinois Public Utilities Act requires carriers to apply for a Certificate of Service authority prior to adding or expanding the services contained in existing certificates. As evidenced by the Company's previously approved certificates, the Commission has found that AmeriVision possesses the requisite technical and managerial abilities to provide telecommunications in Illinois.
4. AmeriVision intends to provide CMRS service to end users in Illinois by reselling the CMRS services of AT&T Wireless, a CMRS carrier appropriately licensed by the Federal Communications Commission. AmeriVision has not been issued a construction permit or an operating license to construct or operate a cellular radio system or other personal communications system.
5. AmeriVision specifically requests waiver of certain requirements as they relate to the Company's resold wireless service, including the following: Uniform System of Accounts for Cellular Communications Telephone Utilities, 83 Ill. Adm. Code Part 715; Procedures Governing the Establishment of Credit, Billing Deposits, Termination of Service, and Issuance of Telephone Directories for Telephone Utilities, 83 Ill. Adm. Code Part 735; and Tariff Filings, 83 Ill. Adm. Code Part 745.

6. AmeriVision will maintain its books outside the State of Illinois. As it has been granted in previous applications, AmeriVision requests the authority pursuant to 83 Ill. Adm. Code Part 250 to maintain its books and records outside the state. Books and records will be maintained at AmeriVision's executive office, as described in #1 above.

AmeriVision agrees that should it become necessary for the Commission to inspect or examine its books and records at locations outside of the State of Illinois that AmeriVision will reimburse the Commission for the reasonable cost of said inspection upon proper invoicing.

7. WHEREFORE, AmeriVision Communications, Inc. d/b/a Affinity4 respectfully requests that the Illinois Commerce Commission enter an Order, on an expedited basis and without hearing, (1) granting a Certificate of Service Authority to provide CMRS within the State of Illinois, (2) granting the waivers requested herein, and (3) any other relief necessary.

Respectfully submitted,
AMERIVISION COMMUNICATIONS, INC.
D/B/A AFFINITY4

 VP/CFO

Loni Woodley
Vice President/CFO

VERIFICATION

I, Loni Woodley, first being duly sworn, hereby state that I am Vice President and CFO for AmeriVision Communications, Inc d/b/a Affinity4 ("AmeriVision"), that I am authorized to make this verification on AmeriVision's behalf, that I have read the foregoing Petition for Certification of Service Authority, that I have knowledge of the facts stated therein, and that the same are true to the best of my knowledge, information, and belief.
