**Re: Illinois Commerce Commission Docket No. 10-0095  
Errata to CUB Verified Initial Comments filed on 3/2/2010**

Dear Ms. Rolando:

On March 2, 2010, the Citizens Utility Board (“CUB”) filed with the Illinois Commerce Commission (the “Commission”) their Verified Initial Comments. Errors have been identified in these Comments. Therefore, CUB now submits the following errata to their comments:

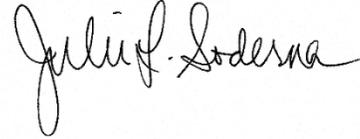

**Verified Initial Comments of CUB**

1. On page 2, the sentence “It is unclear whether or not the Petitioners propose that the cost of implementing the measures includes Gross Receipts Tax on the financing payment as applicable since CUB has not yet received responses to its second set of data requests.” has been replaced with “In its response to CUB data request 2.03, AIU indicated it believes that natural gas energy efficiency measures financed through the OBF Program must include the cost of the Gross Receipts Tax on financing payments. AIU response to CUB DR 2.03.”
2. On page 2, “Pending receipt of the data request,” has been deleted.

The corrected Verified Initial Comments is attached. For your convenience, a redlined version of the Verified Initial Comments is also attached.

Very truly yours,

The Citizens Utility Board
