

METROMEDIA POWER, INC.

Attachment 6: Technical Qualifications (Staff Bios)

ANTHONY FORNAROTTO

Anthony is Metromedia Power's Mid-Atlantic Regional Manager. In this position, he supervises the regional sales team, sets sales goals and assists in developing company awareness. Anthony joined the company as a Sales Manager in January 2000.

Prior to joining the company, Mr. Fornarotto served as National Account Manager for PG&E Energy Services and was responsible for natural gas and electricity sales throughout the service territory. He previously was employed as an Energy Auditor and Inspector for Honeywell/DMC Services, where he conducted residential and commercial energy audits and inspections for LDC-funded programs in order to promote energy efficiency.

Anthony has a M.S. Degree in Environmental Science from Montclair State University in Montclair, NJ and holds NJ state certifications as an Energy Auditor and Energy Inspector.

GORDON POZZA

Gordon is Metromedia Power's Director of Regulatory Affairs. Mr. Pozza's responsibilities include licensing, certifications, market entry and exit, coordinating with regulatory agencies, competitive analysis and tariff/pricing analysis. Gordon also holds this position for affiliates Metromedia Energy and EnergyExpress. Mr. Pozza was previously Metromedia Energy's VP-Competitive Strategies. He has been with the company since January 2000.

Mr. Pozza has over 30 years experience in the electric utility industry. Prior to joining Metromedia, Gordon was Director of Competitive Strategies & Policy at EEI and Director of Market Planning at Wheeled Electric Power Company (WEPCO). He also held the position at WEPCO of Director- Energy Acquisition and Delivery.

Gordon's responsibilities at WEPCO included pricing, market planning, energy purchasing, scheduling, gas nominations and balancing. His operational experience encompassed, in electricity: the O&R Power Pick, CILCO Power Quest, NH, Massachusetts Electric, Con Edison and NYSEG retail access programs; and, in gas: retail marketing and gas acquisition/delivery in IL, MA (Bay State & Com Gas), NJ (PSE&G) and NY (O&R, Con Ed).

Prior to WEPCO, Gordon was Mgr of Municipal Marketing and Rates & Services for the New York Power Authority, Manager of Financial Planning for GPU, Director - Office of Economics and Chief Economist for the D.C. PSC and Director of Economics for NARUC. He has also run a consulting business, Energy Logistics and Pricing Strategies, Inc.

Mr. Pozza holds a M.S. in Energy Management from the New York Institute of Technology,

M.A. in Economics from Brooklyn College of the City University of N.Y. and a B.A. in Liberal Arts from C. W. Post College.

GARETT KREBS

Garett is Metromedia Power's Information Systems Manager. He began his career in Information Technology 14 years ago with US Water, LLC, where he held the position of Network Administrator. US Water LLC was involved in the design and operation of water and wastewater treatment plants throughout the United States. There, he was responsible for all network operations, which included the main office; two satellite offices; and several remote locations. He was directly responsible for all daily operation, maintenance, and expansion of all systems. In addition to his role as a Network Administrator, he provided Engineering support to new and existing contracts held by US Water. His primary goal was to focus on the efficient use of technologies to ensure operations were functioning at peak levels.

In 1997, Mr. Krebs began his employment with Perma Pure Inc. Again, he held a dual role position as Senior Engineer and Network Administrator. As Network Administrator, he was responsible for all network operation, security, and expansion throughout the company. As Senior Engineer, he was responsible for new product development from initial concept to final implementation.

In 1999, Mr. Krebs accepted the Network Engineer and Application Developer position with Metromedia Energy, Inc. Soon thereafter, he moved into the role of Information System Manager. In his current position, he is directly responsible for the security and operation of the company's data and voice network, along with interfacing with outside vendors. He provides project management for the in-house software development team, as well as any additional software programming that may be required, and project management for any expansion or improvements made to the company's existing data or voice networks.

Garett has a Bachelor of Science in Mechanical Engineering (1990) and attended Fairleigh Dickinson University.

Professional Development

MCSA - Microsoft Certified Systems Administrator (June 2002)

MCSE - Microsoft Certified Systems Engineer (August 2001)

MCP - Microsoft Certified Professional (February 1999)

Engineer-in-Training Certification Program: Center for Professional Advancement (1994)

HOLLIE TUMOSA

Hollie is Metromedia Power's Manager of Customer Service and Billing Manager. Hollie began her career in Information Technology in 1998 with Monmouth Community Bank where she held the position of Senior Vice President. Monmouth Community Bank was a De Novo bank and Ms. Tumosa was one of the founding officers. Here, she was responsible for

overseeing daily bank operations, compliance, network operations, and branch administration; which included the main office; two branches; and a remote operations center. She was directly responsible for all daily operation, maintenance, and expansion of all systems. In addition to her role as Senior Vice President, she also held the titles of Bank Secrecy Officer, Compliance Officer, Network Administrator, Branch Administrator and Lending Officer. Prior to 1998 Ms. Tumosa worked in various positions at Tinton Falls State Bank including: Branch Manager and Customer Service Representative.

In 2001, Ms. Tumosa accepted the Billing Manager position with Metromedia Energy, Inc. In her current position, she is directly responsible for overseeing the billing of all MME customers and the subsequent reconciliation. She creates, implements, and audits billing procedures. She manages the Billing and Customer Service Department staff and has limited customer contact when resolving billing/customer service issues. She works integrally with the Information Technology department regarding billing enhancements made to the company's existing Software System.
