**PETITION FOR CONFIDENTIAL TREATMENT**

NOW COMES, Global Crossing Telecommunications, Inc. ("Petitioner") and hereby petitions the Illinois Commerce Commission ("Commission") for emergency relief to protect Petitioner's financial statements from disclosure for not less than two years in order to protect proprietary information included therein. The financial statements must be submitted as part of the requirement for certification as a facilities-based interexchange carrier. In support of this Petition, Petitioner states as follows:

The telecommunications industry is highly competitive, and it is imperative that public disclosure of confidential information contained in the Financial Statements of Petitioner be avoided for a period of at least two years following the issuance of an Order by the Commission because of the competitive harm which disclosure of such information would likely cause Petitioner.

Section 7 of the Illinois Freedom of Information Act, 5 ILCS 140/7(g), exempts from public disclosure "trade secrets and commercial or financial information.... where the trade secrets or information are proprietary, privileged or confidential, or where disclosure of such trade secrets or information may cause competitive harm." The financial statements submitted as part of the Petitioner's Application, which is the subject matter of this Petition, falls within this exemption.

Petitioner seeks an Order from this Commission, without hearing, protecting from disclosure in its entirety Petitioner's Financial Statements for a period of not less than two years.

WHEREFORE, Petitioner respectfully requests that the Commission enter an Order, without hearing, protecting from disclosure in its entirety the Financial Statements of Global Crossing Telecommunications, Inc. for a period of not less than two years.

DATED this 22<sup>nd</sup> day of April, 2010

Respectfully submitted,
