MEMORANDUM

TO: The Commission

FROM: Eve Moran, Administrative Law Judge

DATE: April 23, 2010

SUBJECT: Optimal Facility Management Solutions, LLC
Petition Requesting Proprietary Treatment of Redacted Information.

RECOMMENDATION: Enter the attached Order exempting Petitioner's 2010 Annual Report from public disclosure for a period of two years.

Optimal Facility Management Solutions, LLC, ("Optimal" or Petitioner"), an ABC licensee, seeks an order that would protect its Annual 2010 Recertification Report from public disclosure for a period of two years. Optimal states that this Report contains sensitive commercial information that is highly proprietary and confidential, such that disclosure of this information to competitors would be detrimental to Petitioner.

A hearing was not indicated and it was waived. The attached Order finds that Petitioner's Annual 2010 Recertification Report should be exempt from public disclosure under Section 7(g) of the Illinois Freedom of Information Act and for the reasonable period of two years. I recommend that the attached Order, granting the requested relief, be adopted by the Illinois Commerce Commission.
