CHIEF CLERK'S OFFICE

Energy Edge Consulting, LLC
:
Application for Licensure of
Agents, Brokers, and Consultants
under Section 16-115C
of the Public Utilities Act. :

Docket No. 10-0123

May 4th, 2010

Verified Response to Administrative Law Judge's Ruling Dated April 23rd, 2010

Pursuant to the Administrative Law Judge's ruling referenced above, Energy Edge Consulting, LLC respectfully submits the following information and clarifications to its application for licensure as an agent, broker, and consultant dated February 15th, 2010.

Miscellaneous Requirements

- I. *The Applicant is directed to disclose whether it is licensed as an agent, broker or consultant in any other jurisdictions, similar to the licensure required under Section 16-115C of the Illinois Public Utilities Act.*

Energy Edge Consulting, LLC is currently active in Texas and California only. Neither of these jurisdictions requires a license to perform brokering or consulting services.

- II. *The Applicant is directed to disclose whether it has had any complaints filed against it for its provision of any services in the electric or gas industry in this or any other jurisdiction. If yes, the Applicant is directed to include in its response the nature of the complaint, the jurisdiction, and the ultimate resolution.*

Energy Edge Consulting, LLC has not had any complaints filed against it for its provision of any services in the electric or gas industry in any jurisdiction.

2010 MAY 14 A 10: 27
CHIEF CLERK'S OFFICE

Section 454.80 Financial Licensing Requirements

The applicant shall execute and maintain a license or permit bond issued by a qualifying surety or insurance company authorized to transact business in the State of Illinois in favor of the People of the State of Illinois. The amount of the bond shall equal \$5,000. The bond shall be conditioned upon the full and faithful performance of all duties and obligations of the applicant as an ABC and shall be valid for a period of not less than one year. The cost of the bond shall be paid by the applicant. The applicant shall file this bond as part of its application for certification.

The Applicant is directed to submit an original license or permit bond in this proceeding pursuant to Section 454.80. The license or permit bond shall be in favor of the People of the State of Illinois.

Energy Edge Consulting, LLC has included the original permit bond in this filing pursuant to Section 454.80. Additionally, Energy Edge has provided a ryder to the original bond correcting the name of the oblige to the People of the State of Illinois.

Section 454.60 Managerial Licensing Requirements

83 Ill Adm. Code 454.60(a) indicates that an Applicant shall be deemed to possess sufficient managerial capabilities to provide agency, brokering or consulting services if an Applicant can demonstrate that it has at least an individual with at least one year of management experience with a business enterprise.

Applicant provided the name of the individuals, who have the relevant management experiences, and the overall experience duration for each individual who worked with more than one company in the past. Applicant is directed to specify the duration of the duties for each work experience being used to meet the management experience requirement.

Brian Walker has 1 year of management experience with Energy Edge Consulting and 4 years of management experience with Reliant Energy.

Matt Hobson has 1 year of management experience with Energy Edge Consulting, and 1 year of management experience with Reliant Energy.

Sections 454.70 Technical Licensing Requirements

83 Ill Adm. Code 454.70(a) indicates that an Applicant shall be deemed to possess sufficient technical capabilities to provide agency, brokering or consulting services if it can demonstrate that it has had experience in the electric industry of at least one year.

Applicant provided the name of the individuals who have the relevant technical experiences and the overall experience duration for each individual who worked with more than one company in the past. Applicant is directed to specify the duration of the duties for each work experience being used to meet the technical experience requirement.

Brian Walker has 10 years of experience with Reliant Energy. Of these 10 years 4 years were spent working on the wholesale side of the electricity business and 6 years were spent working with commercial and industrial retail users of electricity. Brian has 1 year of experience with Energy Edge Consulting.

Matt Hobson has 7 years of experience with Reliant Energy. All 7 years were spent working directly with commercial and industrial retail users of electricity. Matt has 1 year of experience with Energy Edge Consulting.

Robert Allwein has 4 years of experience with Constellation NewEnergy, 3 Years with Reliant Energy. All 7 years were spent working with commercial and industrial retail users of electricity. Robert has 1 year of experience with Energy Edge Consulting.

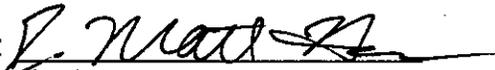

David Mosley has 25 years of experience with Reliant Energy and its predecessor companies in the electric industry. Of these 25 years 7 years were spent working with commercial and industrial retail users of electricity. David joined Energy Edge in September of 2009.

Ana Salinas has 7 years of experience with Reliant Energy in the electric industry. All 7 years were spent working with commercial and industrial retail users of electricity. Ana joined Energy Edge in September of 2009.

WHEREFORE, Energy Edge Consulting, LLC submits the attached verified response in furtherance of its application for licensure as an agent, broker, and consultant dated February 15th, 2010

Respectfully submitted,

Energy Edge Consulting, LLC
