Section 2 – Financial Information.

Item 2.03(a). Creation of a Direct Financial Obligation.

On June 9, 2005, Exelon Corporation (Exelon) issued and sold \$1,700,000,000 in aggregate principal amount of senior notes (Senior Notes) under the indenture, dated as of May 1, 2001 (Indenture), between Exelon and J.P. Morgan Trust Company, National Association (formerly known as Chase Manhattan Trust Company, National Association), as trustee, pursuant to the Underwriting Agreement and related Terms Agreement, dated June 6, 2005, among Exelon and Citigroup Global Markets Inc., Merrill Lynch, Pierce, Fenner & Smith Incorporated, on behalf of themselves, Banc of America Securities LLC, Barclays Capital Inc., Credit Suisse First Boston LLC and Deutsche Bank Securities Inc. and as the Representatives of the several underwriters named in Schedule A to the Terms Agreement. The Senior Notes were sold pursuant to an effective registration statement of Exelon. A Prospectus Supplement (to Prospectus dated February 10, 2004) dated June 6, 2005 (Prospectus) relating to the sale of the Senior Notes was filed under the Securities Act of 1933 pursuant to Securities Act Rule 424(b)(5) (Registration No. 333-108546) on June 7, 2005.

Aggregate net proceeds to Exelon from the issue and sale of the Senior Notes were \$1,685,213,000 after underwriting discounts, but before expenses. The net proceeds were used to repay the approximately \$1,500,000,000 in remaining principal and accrued and unpaid interest due on term loan borrowings made pursuant to the \$2,000,000,000 Term Loan Agreement, dated as of March 7, 2005, among Exelon, Citicorp North America, Inc., as Administrative Agent, Citicorp Global Markets, Inc., as Lead Arranger and Sole Book Runner, and the lenders thereunder. The remainder of the net proceeds from the sale of the Senior Notes was applied to pay a portion of the \$500,000,000 of outstanding principal and accrued and unpaid interest due on term loan borrowings made pursuant to the \$500,000,000 Term Loan Agreement, dated as of April 1, 2005, among Exelon, Dresdner Bank AG, New York and Grand Cayman Branches, as Administrative Agent, and the lenders thereunder.

The Senior Notes were issued and sold in the following amounts and in the following three series and bear interest at the following interest rates, respectively:

\$400,000,000 4.45% Senior Notes due 2010,
\$800,000,000 4.90% Senior Notes due 2015, and
\$500,000,000 5.625% Senior Notes due 2035.

Interest will accrue on the Senior Notes from June 9, 2005 or from the most recent interest payment date to which interest has been paid or provided for. Interest is payable twice a year to holders of record at the close of business on the June 1 or December 1 immediately preceding the interest payment date. Interest payment dates will be June 15 and December 15 of each year beginning on December 15, 2005.

The 4.45% Senior Notes due 2010 will mature on June 15, 2010. The 4.90% Senior Notes due 2015 will mature on June 15, 2015. The 5.625% Senior Notes due 2035 will mature on June 15, 2035.

Exelon may redeem any series of the Senior Notes in whole or in part, at its option at any time, at a redemption price equal to the greater of:

- (a) 100% of the principal amount of the Senior Notes of the series being redeemed; or
- (b) the sum of the present values of the remaining scheduled payments of principal and interest thereon (exclusive of interest accrued to the date of redemption) discounted to the redemption date on a semiannual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate (as defined below) plus, as applicable, 15 basis points (in the case of the 4.45% Senior Notes due 2010), 20 basis points (in the case of the 4.90% Senior Notes due 2015) and 25 basis points (in the case of the 5.625% Senior Notes due 2035),

Table of Contents

plus accrued interest on the principal amount being redeemed to the redemption date.

“Comparable Treasury Issue” means the United States Treasury security or securities selected by an Independent Investment Banker (as defined below) as having an actual or interpolated maturity comparable to the remaining term of the notes of the series being redeemed that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term of such notes.

“Comparable Treasury Price” means, with respect to any redemption date, (1) the average of the Reference Treasury Dealer Quotations (as defined below) for such redemption date, after excluding the highest and lowest such Reference Treasury Dealer Quotations, or (2) if the trustee obtains fewer than four such Reference Treasury Dealer Quotations, the average of all such quotations.

“Independent Investment Banker” means one of the Reference Treasury Dealers (as defined below) appointed by the trustee after consultation with Exelon.

“Reference Treasury Dealer” means each of Citigroup Global Markets Inc. and Merrill Lynch, Pierce, Fenner & Smith Incorporated, their respective successors, and two other primary U.S. Government securities dealers in The City of New York (Primary Treasury Dealer) selected by Exelon. If any Reference Treasury Dealer shall cease to be a Primary Treasury Dealer, Exelon will substitute another Primary Treasury Dealer for that dealer.

“Reference Treasury Dealer Quotations” means, with respect to each Reference Treasury Dealer and any redemption date, the average, as determined by the trustee, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the trustee by such Reference Treasury Dealer at 3:30 p.m. New York City time on the third business day preceding such redemption date.

“Treasury Rate” means, with respect to any redemption date, the rate per annum equal to the semiannual equivalent yield to maturity or interpolated (on a day count basis) of the Comparable Treasury Issue, assuming a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such redemption date.

Redemption of the Senior Notes of one series may be made without the redemption of the Senior Notes of any other series.

Exelon will mail notice of any redemption at least 30 days but not more than 60 days before the redemption date to each holder of Senior Notes to be redeemed.

Unless Exelon defaults in payment of the redemption price, on and after the redemption date, interest will cease to accrue on the Senior Notes or portions thereof called for redemption.

The following are modifications of and additions to the Events of Default and covenants with respect to the Senior Notes:

Additional Covenants: For so long as any Senior Notes remain outstanding, Exelon will not create or incur or allow any of its subsidiaries to create or incur any pledge or security interest on (1) any of the capital stock of, or other equity interests in, PECO Energy Company (“PECO”), Commonwealth Edison Company (“ComEd”) or Exelon Generation Company, LLC (“Exelon Generation”) and (2) any of the capital stock of, or

Table of Contents

other equity interests in, Exelon's subsidiaries which directly hold the capital stock of or other equity interests in PECO, ComEd or Exelon Generation, in each case held by the Company or one of its subsidiaries on the issue date of the Senior Notes.

Additional Events of Default: In addition to the Events of Default described in the Indenture, an Event of Default under the Senior Notes will include Exelon's failure to pay principal at maturity or acceleration following a default in an aggregate amount of \$50 million or more with respect to any of Exelon's Indebtedness (as defined below), or the acceleration of any of Exelon's Indebtedness aggregating \$50 million or more which default is not cured, waived or postponed pursuant to an agreement with the holders of the Indebtedness within 30 days after written notice as provided in the Indenture, or the acceleration is not rescinded or annulled within 30 days after written notice as provided in the Indenture.

As used in the immediately preceding paragraph, "Indebtedness" means the following obligations of Exelon:

- all obligations for borrowed money;
- all obligations evidenced by bonds, debentures, notes or similar instruments, or upon which interest payments are customarily made;
- all obligations under conditional sale or other title retention agreements relating to property purchased by Exelon to the extent of the value of the property (other than customary reservations or retentions of title under agreement with suppliers entered into by Exelon in the ordinary course of business); and
- all obligations issued or assumed as the deferred purchase price of property or services purchased by Exelon which would appear as liabilities on Exelon's balance sheet.

Reference is made to the Prospectus, the Indenture and the forms of the Senior Notes attached as Exhibits 99.1, 99.2 and 99.3 for additional covenants, events of default and other terms and conditions of the Senior Notes.

[Reverse of Note]

This Note is one of a duly authorized issue of securities of the Issuer (herein called the "Notes"), issued and to be issued in one or more series under an Indenture, dated as of May 1, 2001 (herein called the "Indenture"), between the Issuer and J.P. Morgan Trust Company, National Association (formerly known as Chase Manhattan Trust Company, National Association), as trustee (herein called the "Trustee", which term includes any successor trustee under the Indenture), and reference is hereby made to the Indenture, including the Officer's Certificate, dated as of June 9, 2005, delivered pursuant to Sections 2.1, 2.4(3) and 10.5 of the Indenture and setting forth additional terms of this Note, for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Issuer, the Trustee and the Holders of the Notes and of the terms upon which the Notes are, and are to be, authenticated and delivered. This Note is one of the series designated on the face hereof, initially limited in aggregate principal amount up to and including \$400,000,000.

The Issuer may redeem the Notes in whole or in part, at its option at any time, at a redemption price equal to the greater of (1) 100% of the principal amount of the Notes being redeemed or (2) the sum of the present values of the remaining scheduled payments of principal and interest thereon (exclusive of interest accrued to the date of redemption) discounted to the redemption date on a semiannual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate (as defined below) plus 15 basis points, plus accrued interest on the principal amount being redeemed to the redemption date.

"Comparable Treasury Issue" means the United States Treasury security or securities selected by an Independent Investment Banker (as defined below) as having an actual or interpolated maturity comparable to the remaining term of the Notes being redeemed that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term of such Notes.

"Comparable Treasury Price" means, with respect to any redemption date, (1) the average of the Reference Treasury Dealer Quotations (as defined below) for such redemption date, after excluding the highest and lowest such Reference Treasury Dealer Quotations, or (2) if the Trustee obtains fewer than four such Reference Treasury Dealer Quotations, the average of all such quotations.

"Independent Investment Banker" means one of the Reference Treasury Dealers (as defined below) appointed by the Trustee after consultation with the Issuer.

"Reference Treasury Dealer" means each of Citigroup Global Markets Inc. and Merrill Lynch, Pierce, Fenner & Smith Incorporated, their respective successors, and two other primary U.S. Government securities dealers in The City of New York (a "Primary Treasury Dealer"), selected by the Issuer. If any Reference Treasury Dealer shall cease to be a Primary Treasury Dealer, the Issuer will substitute another Primary Treasury Dealer for that dealer.

"Reference Treasury Dealer Quotations" means, with respect to each Reference Treasury Dealer and any redemption date, the average, as determined by the Trustee, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Trustee by such Reference Treasury Dealer at 3:30 p.m. New York time on the third business day preceding such redemption date.

"Treasury Rate" means, with respect to any redemption date, the rate per annum equal to the semiannual equivalent yield to maturity or interpolated (on a day count basis) of the Comparable Treasury Issue, assuming a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such redemption date.

The Issuer will mail notice of any redemption at least 30 days but not more than 60 days before the redemption date to each holder of Notes to be redeemed.

Unless the Issuer defaults in payment of the redemption price, on and after the redemption date interest will cease to accrue on the Notes or portions thereof called for redemption.

The Indenture contains provisions for defeasance at any time of the entire indebtedness of this Note or certain restrictive covenants and Events of Default with respect to this Note, in each case upon compliance with certain conditions set forth in the Indenture.

If an Event of Default with respect to Notes of this series shall occur and be continuing, the principal of the Notes of this series may be declared due and payable in the manner and with the effect provided in the Indenture.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Issuer and the rights of the Holders of the Notes of each series to be affected under the Indenture at any time by the Issuer and the Trustee with the consent of the Holders of a majority in aggregate principal amount of the Notes at the time outstanding of each series to be affected. The Indenture also contains provisions permitting the Holders of specified percentages in principal amount of the Notes of each series at the time outstanding, on behalf of the Holders of all Notes of such series, to waive compliance by the Issuer with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Note shall be conclusive and binding upon such Holder and upon all future Holders of this Note and of any Note issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Note.

As provided in and subject to the provisions of the Indenture, the Holder of this Note shall not have the right to institute any proceeding with respect to the Indenture or for the appointment of a receiver or trustee or for any other remedy thereunder, unless such Holder shall have previously given the Trustee written notice of a continuing Event of Default with respect to the Notes of this series, the Holders of not less than 25% in principal amount of the Notes of this series at the time outstanding shall have made written request to the Trustee to institute proceedings in respect of such Event of Default as Trustee and offered the Trustee reasonable indemnity, and the Trustee shall not have received from the Holders of a majority in principal amount of Notes of this series at the time outstanding a direction inconsistent with such request, and shall have failed to institute any such proceeding, for 60 days after receipt of such notice, request and offer of indemnity. The foregoing shall not apply to any suit instituted by the Holder of this Note for the enforcement of any payment of principal hereof or any premium or interest hereon on or after the respective due dates expressed herein.

No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligation of the Issuer, which is absolute and unconditional, to pay the principal of and any premium and interest on this Note at the times, place and rate, and in the coin or currency, herein prescribed.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Note is registrable in the security register, upon surrender of this Note for registration of transfer at the office or agency of the Issuer in any place where the principal of and any premium and interest on this Note are payable, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Issuer and the Trustee duly executed, by the Holder hereof or his attorney duly authorized in writing, and thereupon one or more new Notes of this series and of like tenor, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

The Notes of this series are issuable only in registered form without coupons in denominations of \$1,000 and any integral multiple thereof. As provided in the Indenture and subject to certain limitations therein set forth, Notes of this series are exchangeable for a like aggregate principal amount of Notes of this series and of like tenor of a different authorized denomination, as requested in writing by the Holder surrendering the same.

No service charge shall be made for any such registration of transfer or exchange, but the Issuer may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to due presentment of this Note for registration of transfer and notice to the Trustee thereof the Issuer, the Trustee and any agent of the Issuer or the Trustee may treat the Person in whose name this Note is registered as the owner hereof for all purposes, whether or not this Note be overdue, and neither the issuer, the Trustee nor any such agent shall be affected by notice to the contrary.

The interest so payable, and punctually paid or duly provided for, on any interest payment date will, as provided in such Indenture, be paid to the Person in whose name this Note (or one or more predecessor Securities) is registered at the close of business on the record date for such interest, which shall be June 1 or December 1 (whether or not a Business Day), as the case may be, next preceding such interest payment date. Any such interest not so punctually paid or duly provided for will forthwith cease to be payable to the Holder on such record date and may either be paid to the Person in whose name this Note (or one or more predecessor Securities) is registered at the close of business on a special record date for the payment of such defaulted interest to be fixed by the Trustee, notice whereof shall be given to Holders of Securities of this series not less than 10 days prior to such special record date, or be paid at any time in any other lawful manner not inconsistent with the requirements of any securities exchange on which the Securities of this series may be listed, and upon such notice as may be required by such exchange, all as more fully provided in said Indenture.

Payment of the principal of (and premium, if any) and interest on this Note will be made at the office or agency of the Issuer maintained for that purpose in the Borough of Manhattan, the City of New York, in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts; *provided* that so long as the Notes are held by DTC as Registered Global Securities, payments shall be made by wire transfer to DTC.

TRUSTEE'S CERTIFICATE OF AUTHENTICATION

This is one of the Securities referred to in the within-mentioned Indenture.

J.P. Morgan Trust Company, National Association
(formerly known as Chase Manhattan Trust Company,
National Association), as Trustee

By: /s/ Joseph J. Morand
Authorized Officer

[Reverse of Note]

This Note is one of a duly authorized issue of securities of the Issuer (herein called the "Notes"), issued and to be issued in one or more series under an Indenture, dated as of May 1, 2001 (herein called the "Indenture"), between the Issuer and J.P. Morgan Trust Company, National Association (formerly known as Chase Manhattan Trust Company, National Association), as trustee (herein called the "Trustee", which term includes any successor trustee under the Indenture), and reference is hereby made to the Indenture, including the Officer's Certificate, dated as of June 9, 2005, delivered pursuant to Sections 2.1, 2.4(3) and 10.5 of the Indenture and setting forth additional terms of this Note, for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Issuer, the Trustee and the Holders of the Notes and of the terms upon which the Notes are, and are to be, authenticated and delivered. This Note is one of the series designated on the face hereof, initially limited in aggregate principal amount up to and including \$800,000,000.

The Issuer may redeem the Notes in whole or in part, at its option at any time, at a redemption price equal to the greater of (1) 100% of the principal amount of the Notes being redeemed or (2) the sum of the present values of the remaining scheduled payments of principal and interest thereon (exclusive of interest accrued to the date of redemption) discounted to the redemption date on a semiannual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate (as defined below) plus 20 basis points, plus accrued interest on the principal amount being redeemed to the redemption date.

"Comparable Treasury Issue" means the United States Treasury security or securities selected by an Independent Investment Banker (as defined below) as having an actual or interpolated maturity comparable to the remaining term of the Notes being redeemed that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term of such Notes.

"Comparable Treasury Price" means, with respect to any redemption date, (1) the average of the Reference Treasury Dealer Quotations (as defined below) for such redemption date, after excluding the highest and lowest such Reference Treasury Dealer Quotations, or (2) if the Trustee obtains fewer than four such Reference Treasury Dealer Quotations, the average of all such quotations.

"Independent Investment Banker" means one of the Reference Treasury Dealers (as defined below) appointed by the Trustee after consultation with the Issuer.

"Reference Treasury Dealer" means each of Citigroup Global Markets Inc. and Merrill Lynch, Pierce, Fenner & Smith Incorporated, their respective successors, and two other primary U.S. Government securities dealers in The City of New York (a "Primary Treasury Dealer"), selected by the Issuer. If any Reference Treasury Dealer shall cease to be a Primary Treasury Dealer, the Issuer will substitute another Primary Treasury Dealer for that dealer.

"Reference Treasury Dealer Quotations" means, with respect to each Reference Treasury Dealer and any redemption date, the average, as determined by the Trustee, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Trustee by such Reference Treasury Dealer at 3:30 p.m. New York time on the third business day preceding such redemption date.

"Treasury Rate" means, with respect to any redemption date, the rate per annum equal to the semiannual equivalent yield to maturity or interpolated (on a day count basis) of the Comparable Treasury Issue, assuming a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such redemption date.

The Issuer will mail notice of any redemption at least 30 days but not more than 60 days before the redemption date to each holder of Notes to be redeemed.

Unless the Issuer defaults in payment of the redemption price, on and after the redemption date interest will cease to accrue on the Notes or portions thereof called for redemption.

The Indenture contains provisions for defeasance at any time of the entire indebtedness of this Note or certain restrictive covenants and Events of Default with respect to this Note, in each case upon compliance with certain conditions set forth in the Indenture.

If an Event of Default with respect to Notes of this series shall occur and be continuing, the principal of the Notes of this series may be declared due and payable in the manner and with the effect provided in the Indenture.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Issuer and the rights of the Holders of the Notes of each series to be affected under the Indenture at any time by the Issuer and the Trustee with the consent of the Holders of a majority in aggregate principal amount of the Notes at the time outstanding of each series to be affected. The Indenture also contains provisions permitting the Holders of specified percentages in principal amount of the Notes of each series at the time outstanding, on behalf of the Holders of all Notes of such series, to waive compliance by the Issuer with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Note shall be conclusive and binding upon such Holder and upon all future Holders of this Note and of any Note issued upon the registration of transfer hereof or in exchange hereof or in lieu hereof, whether or not notation of such consent or waiver is made upon this Note.

As provided in and subject to the provisions of the Indenture, the Holder of this Note shall not have the right to institute any proceeding with respect to the Indenture or for the appointment of a receiver or trustee or for any other remedy thereunder, unless such Holder shall have previously given the Trustee written notice of a continuing Event of Default with respect to the Notes of this series, the Holders of not less than 25% in principal amount of the Notes of this series at the time outstanding shall have made written request to the Trustee to institute proceedings in respect of such Event of Default as Trustee and offered the Trustee reasonable indemnity, and the Trustee shall not have received from the Holders of a majority in principal amount of Notes of this series at the time outstanding a direction inconsistent with such request, and shall have failed to institute any such proceeding, for 60 days after receipt of such notice, request and offer of indemnity. The foregoing shall not apply to any suit instituted by the Holder of this Note for the enforcement of any payment of principal hereof or any premium or interest hereon on or after the respective due dates expressed herein.

No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligation of the Issuer, which is absolute and unconditional, to pay the principal of and any premium and interest on this Note at the times, place and rate, and in the coin or currency, herein prescribed.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Note is registrable in the security register, upon surrender of this Note for registration of transfer at the office or agency of the Issuer in any place where the principal of and any premium and interest on this Note are payable, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Issuer and the Trustee duly executed, by the Holder hereof or his attorney duly authorized in writing, and thereupon one or more new Notes of this series and of like tenor, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

The Notes of this series are issuable only in registered form without coupons in denominations of \$1,000 and any integral multiple thereof. As provided in the Indenture and subject to certain limitations therein set forth, Notes of this series are exchangeable for a like aggregate principal amount of Notes of this series and of like tenor of a different authorized denomination, as requested in writing by the Holder surrendering the same.

No service charge shall be made for any such registration of transfer or exchange, but the Issuer may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to due presentment of this Note for registration of transfer and notice to the Trustee thereof of the Issuer, the Trustee and any agent of the Issuer or the Trustee may treat the Person in whose name this Note is registered as the owner hereof for all purposes, whether or not this Note be overdue, and neither the issuer, the Trustee nor any such agent shall be affected by notice to the contrary.

THE INDENTURE AND THIS NOTE SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE COMMONWEALTH OF PENNSYLVANIA WITHOUT GIVING EFFECT TO PRINCIPLES OF CONFLICTS OF LAW.

All terms used in this Note which are defined in the Indenture shall have the meanings assigned to them in the Indenture.

Morgan Trust Company, National Association (formerly known as Chase Manhattan Trust Company, National Association), as trustee (herein called the "Trustee", which term includes any successor trustee under the Indenture), and reference is hereby made to the Indenture, including the Officer's Certificate, dated as of June 9, 2005, delivered pursuant to Sections 2.1, 2.4(3) and 10.5 of the Indenture and setting forth additional terms of this Note, for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Issuer, the Trustee and the Holders of the Notes and of the terms upon which the Notes are, and are to be, authenticated and delivered. This Note is one of the series designated on the face hereof, initially limited in aggregate principal amount up to and including \$500,000,000.

The Issuer may redeem the Notes in whole or in part, at its option at any time, at a redemption price equal to the greater of (1) 100% of the principal amount of the Notes being redeemed or (2) the sum of the present values of the remaining scheduled payments of principal and interest thereon (exclusive of interest accrued to the date of redemption) discounted to the redemption date on a semiannual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate (as defined below) plus 25 basis points, plus accrued interest on the principal amount being redeemed to the redemption date.

"Comparable Treasury Issue" means the United States Treasury security or securities selected by an Independent Investment Banker (as defined below) as having an actual or interpolated maturity comparable to the remaining term of the Notes being redeemed that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term of such Notes.

"Comparable Treasury Price" means, with respect to any redemption date, (1) the average of the Reference Treasury Dealer Quotations (as defined below) for such redemption date, after excluding the highest and lowest such Reference Treasury Dealer Quotations, or (2) if the Trustee obtains fewer than four such Reference Treasury Dealer Quotations, the average of all such quotations.

"Independent Investment Banker" means one of the Reference Treasury Dealers (as defined below) appointed by the Trustee after consultation with the Issuer.

"Reference Treasury Dealer" means each of Citigroup Global Markets Inc. and Merrill Lynch, Pierce, Fenner & Smith Incorporated, their respective successors, and two other primary U.S. Government securities dealers in The City of New York (a "Primary Treasury Dealer"), selected by the Issuer. If any Reference Treasury Dealer shall cease to be a Primary Treasury Dealer, the Issuer will substitute another Primary Treasury Dealer for that dealer.

"Reference Treasury Dealer Quotations" means, with respect to each Reference Treasury Dealer and any redemption date, the average, as determined by the Trustee, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Trustee by such Reference Treasury Dealer at 3:30 p.m. New York time on the third business day preceding such redemption date.

"Treasury Rate" means, with respect to any redemption date, the rate per annum equal to the semiannual equivalent yield to maturity or interpolated (on a day count basis) of the Comparable Treasury Issue, assuming a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such redemption date.

The Issuer will mail notice of any redemption at least 30 days but not more than 60 days before the redemption date to each holder of Notes to be redeemed.

Unless the Issuer defaults in payment of the redemption price, on and after the redemption date interest will cease to accrue on the Notes or portions thereof called for redemption.

The Indenture contains provisions for defeasance at any time of the entire indebtedness of this Note or certain restrictive covenants and Events of Default with respect to this Note, in each case upon compliance with certain conditions set forth in the Indenture.

If an Event of Default with respect to Notes of this series shall occur and be continuing, the principal of the Notes of this series may be declared due and payable in the manner and with the effect provided in the Indenture.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Issuer and the rights of the Holders of the Notes of each series to be affected under the Indenture at any time by the Issuer and the Trustee with the consent of the Holders of a majority in aggregate principal amount of the Notes at the time outstanding of each series to be affected. The Indenture also contains provisions permitting the Holders of specified percentages in principal amount of the Notes of each series at the time outstanding, on behalf of the Holders of all Notes of such series, to waive compliance by the Issuer with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Note shall be conclusive and binding upon such Holder and upon all future Holders of this Note and of any Note issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Note.

As provided in and subject to the provisions of the Indenture, the Holder of this Note shall not have the right to institute any proceeding with respect to the Indenture or for the appointment of a receiver or trustee or for any other remedy thereunder, unless such Holder shall have previously given the Trustee written notice of a continuing Event of Default with respect to the Notes of this series, the Holders of not less than 25% in principal amount of the Notes of this series at the time outstanding shall have made written request to the Trustee to institute proceedings in respect of such Event of Default as Trustee and offered the Trustee reasonable indemnity, and the Trustee shall not have received from the Holders of a majority in principal amount of Notes of this series at the time outstanding a direction inconsistent with such request, and shall have failed to institute any such proceeding, for 60 days after receipt of such notice, request and offer of indemnity. The foregoing shall not apply to any suit instituted by the Holder of this Note for the enforcement of any payment of principal hereof or any premium or interest hereon on or after the respective due dates expressed herein.

No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligation of the Issuer, which is absolute and unconditional, to pay the principal of and any premium and interest on this Note at the times, place and rate, and in the coin or currency, herein prescribed.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Note is registrable in the security register, upon surrender of this Note for registration of transfer at the office or agency of the Issuer in any place where the principal of and any premium and interest on this Note are payable, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Issuer and the Trustee duly executed, by the Holder hereof or his attorney duly authorized in writing, and thereupon one or more new Notes of this series and of like tenor, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

The Notes of this series are issuable only in registered form without coupons in denominations of \$1,000 and any integral multiple thereof. As provided in the Indenture and subject to certain limitations therein set forth, Notes of this series are exchangeable for a like aggregate principal amount of Notes of this series and of like tenor of a different authorized denomination, as requested in writing by the Holder surrendering the same.

No service charge shall be made for any such registration of transfer or exchange, but the Issuer may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to due presentment of this Note for registration of transfer and notice to the Trustee thereof the Issuer, the Trustee and any agent of the Issuer or the Trustee may treat the Person in whose name this Note is registered as the owner hereof for all purposes, whether or not this Note be overdue, and neither the issuer, the Trustee nor any such agent shall be affected by notice to the contrary.

Section 1 — Registrant's Business and Operations
Item 1.01 — Entry Into a Material Definitive Agreement

On January 23 and 24, 2006, Exelon Corporation's (Exelon) Compensation Committee and Board of Directors approved compensation actions with regard to executive officers of the registrants.

2006 Annual Incentive Plan

Messrs. Rowe, Skolds, Mehrberg, McLean, Young, Snodgrass, Mitchell, and Clark and Ms. Moler participate in 2006 in the Exelon Annual Incentive Plan for Senior Executives, an Internal Revenue Code 162(m) compliant plan approved by Exelon's shareholders at the 2004 Annual Meeting of Shareholders. For the 2006 program, the Exelon Compensation Committee approved an incentive pool based on 1.5% of estimated 2006 operating income, and approved shares of the incentive pool for each of these participants. Awards under this plan cannot exceed each participant's share of the incentive pool, but may be reduced by the Compensation Committee based on the achievement of the financial objectives and other criteria established under the Annual Incentive Award Plan for 2006.

The Compensation Committee determined the criteria for awards under the program, which include earnings per share and the achievement of financial measures and operational key performance indicators applicable to each business unit or operating group, including a proxy measure for the American Customer Satisfaction Index, individual performance multipliers, and financial objectives such as total costs per business unit, net income per business unit, production costs, and budget measures and operational objectives such as reliability measures, OSHA recordable incident rates and other health and safety measures, and availability measures. Awards are subject to curtailment if certain objectives are not achieved. Each individual has a target measured as a percentage of base salary, with a threshold level and maximum level for earnings per share and each of the financial and operational key performance indicators. Amounts are interpolated between the threshold, target and maximum levels.

The Board of Directors of ComEd approved the criteria for awards to ComEd employees under the program.

2006 Long Term Performance Share Award Program

The Compensation Committee established the 2006 Long Term Performance Share Award Program (the "Program"). The Program is intended to provide rewards to individuals in select strategic positions who play key roles in driving Exelon's financial and operational success. The Compensation Committee determined the executives eligible for participation in the Program and established the target for the number of performance shares for each participant. Awards under the Program are based on performance against two measures: Exelon's total shareholder return (TSR) against the Dow Jones Utility Index and TSR return against the Standard & Poor's 500 Index, both over the three year period ending December 31, 2006. Performance shares are granted by the Compensation Committee and, for executive officers, by the Board of Directors of Exelon, after the end of the three-year performance period ending December 31, 2006. Awards vest one-third upon grant and one-third upon each of the first and second anniversaries of the date of grant. Awards are settled in shares of Exelon common stock, except that, for participants who have achieved at least 125% of their stock ownership requirements, half of the award is settled in cash, and for executive vice presidents and above who have achieved at least 200% of their stock ownership requirements, the entire award is settled in cash.

Section 5 — Corporate Governance and Management

Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year

On January 23, 2006, the Board of Directors of Commonwealth Edison Company (ComEd) adopted amended and restated By-Laws. The ComEd Board amended and restated the By-Laws in connection with a comprehensive review of corporate governance practices at ComEd.

Highlights of the changes are as follows:

- Article I, Section 5, dealing with stock subscription defaults, was deleted because it is obsolete and irrelevant.
- Article II, Section 5, dealing with proxies, was amended to permit proxies to the fullest extent permitted by the Illinois Business Corporation Act (IBCA). The former provision required the stockholder to sign an appointment form and deliver it to the person appointed as proxy.
- Article III, Section 4, dealing with reliance on records and experts, was moved from Article IV, Section 4 because it fits more logically in Article III.
- Article III, Section 5 was added to clarify the treatment of transactions between the Company and its directors. The language tracks the applicable provision of the IBCA.
- Article IV, Section 1 was amended because the IBCA now permits single member committees. The former provision provided that each committee must consist of two or more directors.
- References to the Executive Committee were deleted throughout Article V because the By-Laws do not specifically create an Executive Committee.
- Article VI, Section 4, dealing with indemnification, was amended to add the right to advancement of expenses and contract rights .

A copy of the amended and restated By-Laws is attached to this Report as exhibit 99.1.

Amended and Restated By-Laws

ARTICLE I.

Stock.

Section 1. Each holder of fully paid stock shall be entitled to a certificate or certificates of stock stating the number and class of shares, and the designation of the series, if any, which such certificate represents. All certificates of stock shall at the time of their issuance be signed either manually or by facsimile signature by the Chairman, the President or a Vice President and by the Secretary or an Assistant Secretary. All certificates of stock shall be sealed with the seal of the Company or a facsimile of such seal.

Section 2. Shares of stock shall be transferable only on the books of the Company and, except as hereinafter provided or as otherwise required by law, shall be transferred only upon proper endorsement and surrender of the certificates issued therefor. If an outstanding certificate of stock shall be lost, destroyed or stolen, the holder thereof may have a new certificate upon producing evidence satisfactory to the Board of Directors of such loss, destruction or theft, and upon furnishing to the Company a bond of indemnity deemed sufficient by the Board of Directors against claims under the outstanding certificate.

Section 3. The certificates for each class or series of stock shall be numbered and issued in consecutive order and a record shall be kept of the name and address of the person to whom each certificate is issued, the number of shares represented by the certificate and the number and date of the certificate. All certificates exchanged or returned to the Company for transfer shall be canceled and filed.

Section 4. For the purpose of determining stockholders entitled to notice of or to vote at any meeting of stockholders, or stockholders entitled to receive payment of any dividend, or in order to make a determination of stockholders for any other proper purpose, the Board of Directors may fix in advance a date as the record date for any such determination for stockholders, such date in any case to be not more than sixty days and, for a meeting of stockholders, not less than ten days, or in the case of a merger, consolidation, share exchange, dissolution or sale, lease or exchange of assets, not less than twenty days, immediately preceding such meeting.

ARTICLE II.

Meetings of Stockholders.

Section 1. The regular annual meeting of the stockholders of the Company for the election of Directors and for the transaction of such other business as may properly come before the meeting shall be held on such day as the Board of Directors may by resolution determine. Each such regular annual meeting and each special meeting of the stockholders shall be held at such place as may be fixed by the Board of Directors and at such hour as the Board of Directors shall order.

Section 2. Special meetings of the stockholders may be called by the Chairman, the President, the Board of Directors, a majority of the Directors individually or the holders of not less than one-fifth of the total outstanding shares of capital stock of the Company.

Section 3. Written notice stating the place, day and hour of the meeting of the stockholders and, in the case of a special meeting, the purpose or purposes for which the meeting is called shall be delivered not less than ten nor more than sixty days before the date of the meeting, or in the case of a merger, consolidation, share exchange, dissolution or sale, lease or exchange of assets not less than twenty nor more than sixty days before the date of the meeting, either personally or by mail, by or at the direction of the Chairman, the President, the Secretary or the persons calling the meeting, to each stockholder of record entitled to vote at such meeting. If mailed, such notice shall be deemed to be delivered when deposited in the United States mail addressed to the stockholder at the stockholder's address as it appears upon the records of the Company, with postage thereon prepaid.

Section 4. At all meetings of the stockholders, a majority of the outstanding shares of stock, entitled to vote on a matter, represented in person or by proxy, shall constitute a quorum for consideration of such matter, but the stockholders represented at any meeting, though less than a quorum, may adjourn the meeting to some other day or sine die. If a quorum is present, the affirmative vote of the majority of the shares of stock represented at the meeting and entitled to vote on a matter shall be the act of the stockholders, unless the vote of a greater number or voting by classes is required by law or the articles of incorporation.

Section 5. At every meeting of the stockholders, each outstanding share of stock shall be entitled to one vote on each matter submitted for a vote. In all elections for Directors, every stockholder shall have the right to vote the number of shares owned by such stockholder for as many persons as there are Directors to be elected, or to cumulate such votes and give one candidate as many votes as shall equal the number of Directors to be elected multiplied by the number of such shares or to distribute such cumulative votes in any proportion among any number of candidates. A stockholder may vote either in person or by proxy. A stockholder may appoint a proxy to vote or otherwise act for him or her in any manner authorized by Illinois Business Corporation Act of 1983, as amended from time to time.

Section 6. The Secretary of the Company shall make, within twenty days after the record date for a meeting of stockholders of the Company or ten days before such meeting, whichever is earlier, a complete list of the stockholders entitled to vote at such meeting, arranged in alphabetical order, with the address of and the number of shares held by each, which list, for at least ten days prior to such meeting, shall be kept on file at the registered office of the Company and shall be subject to inspection by any

stockholder, and to copying at such stockholder's expense, at any time during usual business hours. Such list shall also be produced and kept open at the time and place of the meeting and shall be subject to the inspection of any stockholder during the whole time of the meeting.

Section 7. The Chairman and the Secretary of the Company shall, when present, act as chairman and secretary, respectively, of each meeting of the stockholders.

Section 8. At any meeting of stockholders, the chairman of the meeting may, or upon the request of any stockholder shall, appoint one or more persons as inspectors for such meeting, unless an inspector or inspectors shall have been previously appointed for such meeting by the Chairman. Such inspectors shall ascertain and report the number of shares of stock represented at the meeting, based upon their determination of the validity and effect of proxies, count all votes and report the results and do such other acts as are proper to conduct the election and voting with impartiality and fairness to all the stockholders.

ARTICLE III.

Board of Directors.

Section 1. The business and affairs of the Company shall be managed by or under the direction of the Board of Directors. The number of Directors of the Company shall be not less than four nor more than nine as shall be determined from time to time by resolution of the Board of Directors or by action of the stockholders. The Directors shall be elected at each annual meeting of the stockholders, but if for any reason the election shall not be held at an annual meeting, it may be subsequently held at any special meeting of the stockholders called for that purpose after proper notice. Unless otherwise established at the time of their election, the Directors so elected shall hold office until the next annual meeting of stockholders and thereafter until their respective successors, willing to serve, shall have been elected and qualified. Directors need not be residents of the State of Illinois or stockholders of the Company.

Section 2. A meeting of the Board of Directors shall be held immediately, or as soon as practicable, after the annual election of Directors in each year, provided a quorum for such meeting can be obtained. Notice of every meeting of the Board, stating the time and place at which such meeting will be held, shall be given to each Director personally, by telephone or by other means of communication at least one day, or by depositing the same in the mails properly addressed at least two days before the day of such meeting. A meeting of the Board of Directors may be called at any time by the Chairman or by any three Directors and shall be held at such place as shall be specified in the notice for such meeting.

Section 3. A majority of the number of Directors then in office, but not less than two, shall constitute a quorum for the transaction of business at any meeting of the Board, but a lesser number may adjourn the meeting from time to time until a quorum is obtained, or may adjourn sine die. The act of the majority of the Directors present at a meeting at which a quorum is present shall be the act of the Board of Directors.

Section 4. Every Director of the Company, or member of any committee designated by the Board of Directors pursuant to authority conferred by these By-Laws, shall, in the performance of his or her duties, be fully protected in relying in good faith upon the records of the Company and upon such information, opinions, reports or statements presented to the Company by any of the Company's officers or employees, or committees of the Board of Directors, or by any other person as to matters the Director or member reasonably believes are within such other person's professional or expert competence and who has been selected with reasonable care by or on behalf of the Company.

Section 5. A transaction between the Company and one or more of its Directors, or between the Company and an entity in which one or more of its Directors have a material financial interest or of which the Director or Directors are officers, directors or general partners, shall not be invalidated solely for that reason, or solely because the Director or Directors are present at or participate in the meeting of the Board that authorizes the transaction, or solely because his, her or their votes are counted for that purpose, if the transaction is fair to the Company at the time is authorized, approved or ratified and:

(1) the material facts of the transaction and the Director's interest or relationship are disclosed or known to the Board or a committee of the Board and the Board or such committee authorizes, approves or ratifies the transaction by the affirmative votes of a majority of the disinterested Directors, even though the disinterested Directors are less than a quorum; or

(2) the material facts of the transaction and the Director's interest or relationship are disclosed or known to the stockholders entitled to vote and such stockholders authorize, approve or ratify the transaction without counting the vote of any stockholder who is an interested Director.

Interested Directors may be counted in determining the presence of a quorum at a meeting of the Board which authorizes a transaction specified in this Section.

Section 6. Each member of the Board not receiving a salary from the Company or a subsidiary of the Company shall be paid such fees as the Board of Directors may from time to time, by resolution adopted by the affirmative vote of a majority of the Directors then in office, determine.

ARTICLE IV.

Committees of the Board of Directors.

Section 1. The Board of Directors may from time to time create committees, standing or special, each committee to consist of one or more Directors of the Company, and the Board shall appoint Directors to serve on such committees and confer such powers upon such committees and revoke such powers and terminate the existence of such committees, as the Board at its pleasure may determine, subject to the limitations set forth in Section 8.40(c) of the Illinois Business Corporation Act of 1983, as amended from time to time.

Section 2. Meetings of any committee of the Board may be called at any time by the Chairman, by any three Directors or by the chairman of the committee the meeting of which is being called and shall be held at such place as shall be designated in the notice of such meeting. Notice of each committee meeting stating the time and place at which such meeting will be held shall be given to each member of the committee personally, or by telecopy, or by depositing the same in the mails properly addressed, at least one day before the day of such meeting. A majority of the members of a committee shall constitute a quorum thereof but a lesser number may adjourn the meeting from time to time until a quorum is obtained, or may adjourn sine die. A majority vote of the members of a committee present at a meeting at which a quorum is present shall be necessary for committee action.

Section 3. The Board of Directors may from time to time designate from among the Directors alternates to serve on one or more committees as occasion may require. Whenever a quorum cannot be secured for any meeting of any committee from among the regular members thereof and designated alternates, the member or members of such committee present at such meeting and not disqualified from voting thereat, whether or not he or they constitute a quorum, may unanimously appoint another member of the Board of Directors to act at the meeting in place of such absent or disqualified member.

Section 4. Unless otherwise limited by the Board of Directors and subject to the limitations set forth in the Illinois Business Corporation Act of 1983, as amended from time to time, each committee of the Board of Directors may exercise the authority of the Board.

ARTICLE V.

Officers.

Section 1. There shall be elected by the Board of Directors, at its first meeting after the annual election of Directors in each year if practicable, the following principal officers of the Company, namely: a Chairman, a President, such number of Executive Vice Presidents, Senior Vice Presidents and Vice Presidents as the Board at the time may decide upon, a Secretary, a Treasurer and a Comptroller; and the Board may also provide for a Vice Chairman and such other officers, and prescribe for each of them such duties, as in its judgment may from time to time be desirable to conduct the affairs of the Company. No officer shall be elected for a term extending beyond the first day of the month following the month in which such officer attains the age of 65 years, on which date such officer shall be retired. The Chairman shall be a Director of the Company; any other officer above named may, but need not, be a Director of the Company. Any two or more offices may be held by the same person. All officers shall hold their respective offices until the first meeting of the Board of Directors after the next succeeding annual election of Directors and until their successors, willing to serve, shall have been elected, but any officer may be removed from office by the Board of Directors whenever in its judgment the best interests of the Company will be served thereby. Such removal, however, shall be without prejudice to the contract rights, if any, of the person so removed. Election of an officer shall not of itself create contract rights.

Section 2. The Chairman shall be the chief executive officer of the Company and shall have general authority over all the affairs of the Company, including the power to appoint and discharge any and all officers, agents and employees of the Company not elected or appointed directly by the Board of Directors. The Secretary shall keep a suitable record of the addresses of stockholders and shall, except as may be otherwise required by statute or these by-laws, sign and issue all notices required for meetings of stockholders, of the Board of Directors and of the committees of the Board of Directors. The Secretary shall sign all papers to which the Secretary's signature may be necessary or appropriate, shall affix and attest the seal of the Company to all instruments requiring the seal, shall have the authority to certify the by-laws, resolutions of the stockholders and Board of Directors and committees of the Board of Directors and other documents of the Company as true and correct copies thereof and shall have such other powers and duties as are commonly incidental to the office of Secretary and as may be prescribed by the Board of Directors or the Chairman. Securities owned by the Company shall be in the custody of the Treasurer or of such other officers, agents or depositaries as may be designated by the Board of Directors. The Treasurer may be required to give bond to the Company for the faithful discharge of the duties of the Treasurer in such form and in such amount and with such surety as shall be determined by the Board of Directors. The Treasurer shall report to the Chairman or such other officer as the Chairman shall direct.

Section 7. The Comptroller shall be responsible for the executive direction of the accounting organization and shall have functional supervision over the records of all other departments pertaining to revenues, expenses, money, securities, properties, materials and supplies. The Comptroller shall prescribe the form of all vouchers, accounts and accounting procedures, and reports required by the various departments. The Comptroller shall be responsible for the preparation and interpretation of all accounting reports and financial statements as required and for the proper review and approval of all bills received for payment. No bill or voucher shall be so approved unless the charges covered by the bill or voucher shall have been previously approved through job order, requisition or otherwise by the head of the department in which it originated, or unless the Comptroller shall otherwise be satisfied of its propriety and correctness. The Comptroller shall have such other powers and duties as are commonly incidental to the office of Comptroller or as may be prescribed for the Comptroller by the Board of Directors or the Chairman. The Comptroller shall report to the Chairman or such other officer as the Chairman shall direct.

Section 8. Assistant Secretaries, Assistant Treasurers and Assistant Comptrollers, when elected or appointed, shall respectively assist the Secretary, the Treasurer and the Comptroller in the performance of the respective duties assigned to such principal officers, and in assisting such principal officer, each of such assistant officers shall for such purpose have the powers of such principal officer. In case of the absence, disability, death, resignation or removal from office of any principal officer, such principal officer's duties shall, except as otherwise ordered by the Board of Directors, temporarily devolve upon such assistant officer as shall be designated by the Chairman.

ARTICLE VI.

Miscellaneous.

Section 1. No bills shall be paid by the Treasurer unless reviewed and approved by the Comptroller or by some other person or committee expressly authorized by the Board of Directors, the Chairman or the Comptroller to review and approve bills for payment.

Section 2. Any and all shares of stock of any corporation owned by the Company and any and all voting trust certificates owned by the Company calling for or representing shares of stock of any corporation may be voted at any meeting of the stockholders of such corporation or at any meeting of the holders of such certificates, as the case may be, by any one of the principal officers of the Company upon any question which may be presented at such meeting, and any such officer may, on behalf of the Company, waive any notice required to be given of the calling of such meeting and consent to the holding

of any such meeting without notice. Any such principal officer other than the Secretary, acting together with the Secretary or an Assistant Secretary, shall have authority to give to any person a written proxy, in the name of the Company and under its corporate seal, to vote any or all shares of stock or any or all voting trust certificates owned by the Company upon any question that may be presented at any such meeting of stockholders or certificate holders, with full power to waive any notice of the calling of such meeting and consent to the holding of such meeting without notice.

Section 3. The fiscal year of the Company shall begin on the first day of January and end on the last day of December in each year.

Section 4. The Company shall indemnify the Directors and officers of the Company, and any person acting or serving at the request of the Company as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, in accordance with and to the extent permitted by Section 8.75 of the Illinois Business Corporation Act of 1983, as amended from time to time, as from time to time amended and in effect. Such indemnification shall be available to any past, present or future Director or officer of the Company, and any past, present or future director, officer, employee or agent of such other corporation, partnership, joint venture, trust or other enterprise, and shall apply to actions, suits, proceedings or claims arising out of or based upon events occurring prior to, on or after the date of original adoption of this by-law.

The right to indemnification conferred in this Section shall include the right to be paid by the Company the expenses (including, without limitation, attorneys' fees and expenses) incurred in defending any such proceeding in advance of its final disposition (an "advancement of expenses"); provided, however, that, if the Illinois Business Corporation Act of 1983, as amended from time to time, so requires, an advancement of expenses incurred by an indemnitee in his or her capacity as a director or officer shall be made only upon delivery to the Company of an undertaking, by or on behalf of such indemnitee, to repay all amounts so advanced if it shall ultimately be determined by final judicial decision from which there is no further right to appeal that such indemnitee is not entitled to be indemnified for such expenses under this Section or otherwise. The rights to indemnification and to the advancement of expenses conferred in this Section shall be contract rights and such rights shall continue as to an indemnitee who has ceased to be a director, officer, employee or agent and shall inure to the benefit of the indemnitee's heirs, executors and administrators. Any repeal, amendment or modification hereof shall be prospective only and shall not affect any rights or obligations then existing. Each person who shall act as an indemnitee of the Company shall be deemed to be doing so in reliance upon the rights provided by this Section.

(i) Each significant subsidiary of the Company, as defined in Rule 1-02 of Regulation S-X of the Commission (each a "Significant Subsidiary"), has been duly incorporated and is validly existing as a corporation in good standing under the laws of the jurisdiction of its incorporation; all of the issued and outstanding capital stock of each Significant Subsidiary has been duly and validly issued and is fully paid and non-assessable; and all of the capital stock of each Significant Subsidiary is owned by the Company free and clear of any pledge, lien, encumbrance, claim or equity.

(j) Neither the Company nor any Significant Subsidiary is in violation of its articles or certificate of incorporation, or in default in the performance or observance of any material obligation, agreement, covenant or condition contained in any mortgage or any material contract, lease, note or other instrument to which it is a party or by which it may be bound, or materially in violation of any law, administrative regulation or administrative, arbitration or court order to which it is subject or bound, except in each case to such extent as may be set forth in the

Prospectus; and the execution and delivery of this Agreement, the incurrence of the obligations herein set forth and the consummation of the transactions herein contemplated will not conflict with or constitute a breach of, or default under, the articles of incorporation or by-laws of the Company or any mortgage, contract, lease, note or other instrument to which the Company or any Significant Subsidiary is a party or by which it or any Significant Subsidiary may be bound, or any law, administrative regulation or administrative, arbitration or court order to which it is subject or bound.

(k) The Company has filed with the Illinois Commerce Commission (the "ICC") a petition with respect to the issuance and sale of the Purchased Bonds and the ICC has issued its order that, as subsequently modified in a second order on reopening, authorizes and approves such issuance and sale. No consent of or approval by any other public board or body or administrative agency, federal or state, is necessary to authorize the issuance and sale of the Purchased Bonds, except as may be required under the blue sky laws of any jurisdiction in connection with the purchase and distribution of the Purchased Bonds by the Underwriters in the manner contemplated herein and in the Prospectus.

(l) There is no pending or threatened suit or proceeding before any court or governmental agency, authority or body or any arbitration involving the Company or any of its Significant Subsidiaries required to be disclosed in the Prospectus which is not adequately disclosed in the Prospectus.

(m) This Agreement has been duly authorized, executed and delivered by the Company.

(n) The Mortgage has been duly authorized by the necessary corporate action and duly qualified under the Trust Indenture Act; and the Mortgage has been duly authorized and, assuming due authorization, execution and delivery of the Supplement by the Trustee and due execution and delivery of the Supplement by the Co-Trustee, when executed and delivered by the Company, will constitute a legal, valid and binding instrument enforceable against the Company in accordance with its terms (subject, as to the enforcement of remedies, to applicable bankruptcy, reorganization, insolvency, fraudulent transfer, moratorium or other laws affecting creditors' rights generally from time to time in effect and to general principles of equity).

(o) The issuance and sale of the Purchased Bonds by the Company in accordance with the terms of this Agreement have been duly authorized; the Purchased Bonds, when executed and authenticated in accordance with the provisions of the Mortgage and delivered to and paid for by the Underwriters, will have been duly executed and delivered by the Company and will constitute the legal, valid and binding obligations of the Company entitled to the benefits of the Mortgage (subject, as to the enforcement of remedies, to applicable bankruptcy, reorganization, insolvency, fraudulent transfer, moratorium or other laws affecting creditors' rights generally from time to time in effect and to general principles of equity), and the holders of the Purchased Bonds will be entitled to the payment of principal and interest as therein provided; and the statements under the headings "Description of the Bonds" in the Prospectus Supplement (as defined below) and "Description of Bonds" in the Prospectus fairly summarize the matters therein described.

(p) The franchise granted to the Company by the City Council of the City of Chicago under an ordinance effective January 1, 1992, is valid and subsisting and duly authorizes the Company to engage in the electric utility business conducted by it in such City; and the several franchises of the Company outside the City of Chicago are valid and subsisting and authorize the Company to carry on its utility business in the several communities, capable of granting franchises, located in the territory served by the Company outside the City of Chicago (with immaterial exceptions).

(q) The Company has good and sufficient title to all property described or referred to in the Mortgage and purported to be conveyed thereby, subject only to the lien of the Mortgage and permitted liens as therein defined (except as to property released from the lien of the Mortgage in connection with the sale or other disposition thereof, and certain other exceptions which are not material in the aggregate); the Mortgage has been duly filed for recordation in such manner and in such places as is required by law in order to give constructive notice of, establish, preserve and protect the lien of the Mortgage; the Mortgage constitutes a valid, direct first mortgage lien on substantially all property (including franchises) now owned by the Company, except property expressly excepted by the terms of the Mortgage, subject to permitted liens as defined therein; and the Mortgage will constitute a valid, direct first mortgage lien on all property of the character of that now subject to the lien of the Mortgage hereafter acquired by the Company, subject to permitted liens as defined in the Mortgage, and to liens, if any, existing or placed on such after-acquired property at the time of the acquisition thereof.

Any certificate signed by any officer of the Company and delivered to you or to counsel for the Underwriters in connection with the offering of the Purchased Bonds shall be deemed a representation and warranty by the Company to each Underwriter as to the matters covered thereby.

3. *Purchase, Offering and Delivery — Closing Date.* Subject to the terms and conditions herein set forth, the Company agrees to sell to each Underwriter, and each Underwriter agrees, severally and not jointly, to purchase from the Company at the purchase price set forth in Schedule I hereto, the principal amount of the Purchased Bonds set forth opposite each Underwriter's name in Schedule II hereto. It is understood that the Underwriters propose to offer the Purchased Bonds for sale to the public as set forth in the Prospectus, Prospectus Supplement (as hereinafter defined) relating to the Purchased Bonds and the final term sheet contemplated by Section 4(b) hereof. The time and date of delivery and payment shall be the time and date specified in Schedule I hereto; *provided, however*, that such time or date may be accelerated or extended by agreement between the Company and the Representatives or as provided in Section 9 hereof. The time and date of such delivery and payment are herein referred to as the "Closing Date." Delivery of the Purchased Bonds shall be made to the Representatives for the respective accounts of the several Underwriters against payment by the several Underwriters through the Representatives of the purchase price thereof to or upon the order of the Company by wire transfer payable in same-day funds to the account specified by the Company. Delivery of the Purchased Bonds shall be made through the facilities of The Depository Trust Company.

4. *Agreements.* The Company agrees with the several Underwriters that:

(a) Promptly following the execution of this Agreement, the Company will cause the Prospectus, including as part thereof a prospectus supplement relating to the Purchased Bonds (the "Prospectus Supplement"), to be filed with the Commission pursuant to Rule 424 under the Act within the applicable time period prescribed for such filing by the rules and regulations under the Act, and the Company will promptly advise the Representatives when such filing has been made. Prior to such filing, the Company will cooperate with the Representatives in the preparation of the Prospectus Supplement to assure that the Representatives have no reasonable objection to the form or content thereof when filed.

(b) The Company shall prepare a final term sheet, containing solely a description of the Purchased Bonds, substantially in the form of Annex I hereto and approved by the Representatives, and shall file such term sheet pursuant to Rule 433(d) under the Act within the time period prescribed by such rule; and shall file promptly all other material required to be filed by the Company with the Commission pursuant to Rule 433(d) under the Act.

(c) The Company will promptly advise the Representatives (i) when any amendment to the Registration Statement shall have become effective, (ii) of any request by the Commission for any amendment of the Registration Statement or amendment or supplement to the Prospectus or for any additional information, (iii) of the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement or the institution or threatening of any proceeding for that purpose and (iv) of the receipt by the Company of any notification with respect to the suspension of the qualification of the Purchased Bonds for sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose. The Company will not file any amendment to the Registration Statement or amendment or supplement to the Prospectus unless the Company has furnished the Representatives a copy for their review prior to filing and will not file any such proposed amendment or supplement without the consent of the Representatives, which consent shall not be unreasonably withheld. The Company will use its best efforts to prevent the issuance of any such stop order and, if issued, to obtain as soon as possible the withdrawal thereof.

(d) If, at any time when a prospectus relating to the Purchased Bonds is required to be delivered under the Act, any event occurs as a result of which the Prospectus as then amended or supplemented would include an untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, or if it shall be necessary to amend or supplement the Registration Statement or the Prospectus to comply with the Act or the Exchange Act or the rules and regulations of the Commission under such Acts, the Company promptly will prepare and file with the Commission, subject to paragraph (c) of this Section 4, an amendment or supplement that will correct such statement or omission or an amendment or supplement that will effect such compliance. If, prior to the Closing Date, there occurs an event or development as a result of which the Disclosure Package (as defined below) would include an untrue statement of a material fact or would omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances when the Disclosure Package is delivered to a purchaser, not misleading, the Company promptly will notify the Representatives so that any use of the Disclosure Package may cease until it is amended or supplemented, and will promptly prepare an amendment or supplement that will correct such statement or omission. "Disclosure Package" shall mean (i) the preliminary prospectus supplement, as amended and supplemented

to the Applicable Time of Sale, (ii) the final term sheet contemplated by Section 4(b) hereof, and (iii) any Issuer Free Writing Prospectus (as defined in Section 8(a) below). Notwithstanding any provision hereof to the contrary, each document included in the Disclosure Package shall be deemed to include all documents (including any Current Report on Form 8-K (other than any information furnished under Items 2.02, 7.01 or 9.01 of any such Current Report on Form 8-K)) incorporated therein by reference, whether any such Incorporated Document is filed before or after the document into which it is incorporated, so long as the Incorporated Document is filed before the Applicable Time of Sale.

(e) The Company will furnish without charge to (i) each of the Representatives and counsel for the Underwriters a signed copy of the Registration Statement (but without exhibits incorporated by reference), as originally filed, all amendments thereto filed prior to the Closing Date and all Incorporated Documents (including exhibits, other than exhibits incorporated by reference), (ii) each other Underwriter a conformed copy of the Registration Statement (but without exhibits), as originally filed, all amendments thereto (but without exhibits) and all Incorporated Documents (but without exhibits other than the Company's latest Annual Report to shareholders) and (iii) each Underwriter as many copies of the Prospectus, the Prospectus Supplement thereto and, so long as delivery of a prospectus or supplement thereto by an Underwriter or dealer may be required under the Act, any amendments thereof and supplements thereto (but without Incorporated Documents or exhibits), as soon as available and in such quantities as the Representatives may reasonably request.

(f) The Company will arrange, if necessary, for the qualification of the Purchased Bonds for sale under the laws of such jurisdictions within the United States as the Representatives may designate, *provided*, that in no event shall the Company be obligated to qualify to do business in any jurisdiction where it is not now so qualified or take any action that would subject it to service of process in suits (other than those arising out of the offering or sale of the Purchased Bonds) in any jurisdiction where it is not now so subject. The Company will promptly advise the Representatives of the receipt by the Company of any notification with respect to the qualification of the Purchased Bonds for sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose.

(g) The Company agrees to pay the costs and expenses relating to the following matters: (i) the preparation of the Prospectus, the issuance of the Purchased Bonds and the fees of the Trustee or Co-Trustee; (ii) the preparation, printing or reproduction and filing of the Prospectus and each amendment or supplement thereto, and any "issuer free writing prospectus" (as defined in Rule 433 under the Act); (iii) the printing (or reproduction) and delivery (including postage, air freight charges and charges for counting and packaging) of such copies of the Prospectus, and all amendments or supplements to it, as may be reasonably requested for use in connection with the offering and sale of the Purchased Bonds; (iv) the preparation, printing, authentication, issuance and delivery of certificates for the Purchased Bonds, including any stamp or transfer taxes in connection with the original issuance and sale of the Purchased Bonds; (v) the printing (or reproduction) and delivery of this Agreement, any blue sky memorandum and all other agreements or documents printed (or reproduced) and delivered in connection with the offering of the Purchased Bonds; (vi) any registration or qualification of the Purchased Bonds for offer and sale under the securities or blue sky laws of the several states

(including filing fees and the reasonable fees and expenses of counsel for the Underwriters relating to such registration and qualification); (vii) the transportation and other expenses incurred by or on behalf of Company representatives in connection with presentations to prospective purchasers of the Purchased Bonds; (viii) the fees and expenses of the Company's accountants and counsel (including local and special counsel); (ix) the fees and expenses of any rating agencies rating the Purchased Bonds; and (x) all other costs and expenses incident to the performance by the Company of its obligations hereunder.

(h) During the period beginning from the date of this Agreement and continuing to and including the later of (i) the termination of trading restrictions on the Purchased Bonds, as notified to the Company by the Representatives, and (ii) the Closing Date, the Company will not offer, sell, contract to sell or otherwise dispose of any debt securities of the Company which mature more than one year after the Closing Date and which are substantially similar to the Purchased Bonds, without the prior written consent of the Representatives; *provided, however*, that in no event shall the foregoing period extend more than fifteen calendar days from the date of this Agreement.

(i) The Company acknowledges and agrees that in connection with the offering or sale of the Purchased Bonds or any other services the Underwriters may be deemed to be providing hereunder, notwithstanding any preexisting relationship, advisory or otherwise, between the parties or any oral representations or assurances previously or subsequently made by the Underwriters: (i) no fiduciary or agency relationship between the Company and any other person, on the one hand, and the Underwriters, on the other, exists by reason of this Agreement; (ii) the relationship between the Company, on the one hand, and the Underwriters, on the other, is entirely and solely commercial, based on arms-length negotiations; (iii) any duties and obligations that the Underwriters may have to the Company in connection with the purchase and sale of the Purchased Bonds shall be limited to those duties and obligations specifically stated herein or that arise as a result of the purchase and sale of the Purchased Bonds pursuant hereto under the U.S. federal securities laws or any applicable rules of the National Association of Securities Dealers, Inc.; and (iv) the Underwriters and their respective affiliates may have interests that differ from those of the Company.

5. *Conditions to the Obligations of the Underwriters.* The obligations of the Underwriters to purchase and pay for the Purchased Bonds shall be subject to the accuracy of the representations and warranties on the part of the Company contained herein as of the date hereof and the Closing Date, to the accuracy of the statements of the Company made in any certificates pursuant to the provisions hereof, to the performance by the Company of its obligations hereunder and to the following additional conditions:

(a) The Prospectus Supplement shall have been filed with the Commission pursuant to Rule 424(b) under the Act within the applicable time period prescribed for such filing by the rules and regulations under the Act and in accordance with Section 4(a) hereof; the final term sheet contemplated by Section 4(b) hereof, and any other material required to be filed by the Company pursuant to Rule 433(d) under the Act, shall have been filed with the Commission within the applicable time periods prescribed for such filings by Rule 433; and no stop order suspending the effectiveness of the Registration Statement shall be in effect and no proceedings for that purpose shall then be pending before, or threatened by, the Commission.

(b) The Company shall have furnished to the Representatives the opinion of Sidley Austin LLP, counsel for the Company, dated the Closing Date and addressed to the Representatives, in form and substance satisfactory to each of the Representatives and their counsel.

(c) The Representatives shall have received from Winston & Strawn LLP, counsel for the Underwriters, such opinion or opinions, dated the Closing Date, with respect to the issuance and sale of the Purchased Bonds, the Mortgage, the Registration Statement, the Prospectus and other related matters as the Representatives may reasonably require, and the Company shall have furnished to such counsel such documents as they request for the purpose of enabling them to pass upon such matters.

(d) The Company shall have furnished to the Representatives a certificate of the Company, signed by the Chief Financial Officer, the Treasurer or Assistant Treasurer of the Company, dated the Closing Date, to the effect that the signer of such certificate has carefully examined the Prospectus, any amendment or supplement to the Prospectus and this Agreement and that:

(i) the representations and warranties of the Company in this Agreement are true and correct in all material respects on and as of the Closing Date with the same effect as if made on the Closing Date, and the Company has complied with all the agreements and satisfied all the conditions on its part to be performed or satisfied hereunder at or prior to the Closing Date;

(ii) since the date of the most recent financial statements included in the Prospectus (exclusive of any amendment or supplement thereto), there has been no material adverse change in the financial condition, business or properties of the Company and its subsidiaries, taken as a whole, whether or not arising from transactions in the ordinary course of business, except as set forth in or contemplated by the Prospectus (exclusive of any amendment or supplement thereto); and

(iii) no stop order suspending the effectiveness of the Registration Statement has been issued and no proceedings for that purpose have been initiated or, to his or her knowledge, threatened by the Commission.

(e) On the date hereof and on the Closing Date, the Company shall have requested and caused PricewaterhouseCoopers LLP to furnish to the Representatives letters, dated respectively the date hereof and the Closing Date, in form and substance satisfactory to the Representatives.

(f) Subsequent to the date of this Agreement, or if earlier, the respective dates as of which information is given in the Registration Statement and the Prospectus, there shall not have been (i) any change or decrease specified in the letter referred to in paragraph (e) of this Section 5 or (ii) any change, or any development involving a prospective change, in or affecting the financial condition, business or properties of the Company and its subsidiaries, taken as a whole, whether or not arising from transactions in the ordinary course of business, except as set forth in or contemplated in the Prospectus (exclusive of any amendment or supplement thereto)

the effect of which, in any case referred to in clause (i) or (ii) above, is, in the sole judgment of the Representatives, so material and adverse as to make it impractical or inadvisable to proceed with the public offering or delivery of the Purchased Bonds as contemplated by the Prospectus (exclusive of any amendment or supplement thereto).

(g) On the Closing Date, (i) the Purchased Bonds shall be rated Baa1 by Moody's Investors Service, Inc. and A- by Standard & Poor's Rating Services, and the Company shall have delivered to the Representatives evidence satisfactory to the Representatives confirming that the Purchased Bonds have such ratings, and (ii) subsequent to the date of this Agreement, there shall not have occurred a downgrading in the rating assigned to the Purchased Bonds or any of the Company's first mortgage bonds or commercial paper by any "nationally recognized statistical rating agency", as that term is defined by the Commission for purposes of Rule 436(g)(2) under the Act, and no such securities rating agency, each of which have previously publicly announced that it has under surveillance, review or watch, with possible negative implications, its rating of the Purchased Bonds or any of the Company's other debt securities, shall have publicly announced a further level of surveillance, review or watch, as the case may be.

(h) Prior to the Closing Date, the Company shall have furnished to the Representatives such further information, certificates and documents as the Representatives may reasonably request.

If any of the conditions specified in this Section 5 shall not have been fulfilled in all material respects when and as provided in this Agreement, or if any of the opinions or certificates mentioned above or elsewhere in this Agreement shall not be in all material respects reasonably satisfactory in form and substance to the Representatives and their counsel, this Agreement and all obligations of the Underwriters hereunder may be canceled at, or at any time prior to, the Closing Date by the Representatives. Notice of such cancellation shall be given to the Company in writing or by telephone or facsimile confirmed in writing.

The documents required to be delivered by this Section 5 will be delivered at the office of counsel for the Company, at Sidley Austin LLP, 1 South Dearborn Street, Chicago, Illinois 60603, on the Closing Date.

6. *Conditions of Company's Obligation.* The obligation of the Company to deliver the Purchased Bonds upon payment therefor shall be subject to the following conditions:

On the Closing Date, the order of the ICC referred to in subparagraph (k) of Section 2 hereof shall be in full force and effect substantially in the form as modified by the second order on reopening; the Mortgage shall be qualified under the Trust Indenture Act as and to the extent required by such Act; and no stop order suspending the effectiveness of the Registration Statement shall be in effect and no proceedings for that purpose shall then be pending before, or threatened by, the Commission.

In case any of the conditions specified above in this Section 6 shall not have been fulfilled, this Agreement may be terminated by the Company by delivering written notice of

termination to the Representatives. Any such termination shall be without liability of any party to any other party except to the extent provided in Sections 7 and 8 hereof.

7. *Reimbursement of Underwriters' Expenses.* If the sale of the Purchased Bonds provided for herein is not consummated because any condition to the obligations of the Underwriters or the Company set forth in Section 5 and Section 6 hereof, respectively, is not satisfied, because of any termination pursuant to Section 10 hereof, or because of any refusal, inability or failure on the part of the Company to perform any agreement herein or comply with any provisions hereof other than by reason of a default by any of the Underwriters, the Company will reimburse the Underwriters severally upon demand for all out-of-pocket expenses (including reasonable fees and disbursements of counsel) that shall have been incurred by them in connection with the proposed purchase and sale of the Purchased Bonds.

8. *Indemnification and Contribution.* (a) The Company agrees to indemnify and hold harmless each Underwriter, the directors, officers, employees and agents of each Underwriter and each person who controls any Underwriter within the meaning of either the Act or the Exchange Act against any and all losses, claims, damages or liabilities, joint or several, to which they or any of them may become subject under the Act, the Exchange Act or other federal or state statutory law or regulation, at common law or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement as originally filed or in any amendment thereof, any preliminary prospectus or the Prospectus, or in any amendment thereof or supplement thereto, any "issuer free writing prospectus" (as defined in Rule 433 under the Act and being hereinafter referred to as an "Issuer Free Writing Prospectus"), any "issuer information" filed or required to be filed pursuant to Rule 433(d) under the Act, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, and agrees to reimburse each such indemnified party, as incurred, for any legal or other expenses reasonably incurred by them in connection with investigating or defending any such loss, claim, damage, liability or action; *provided, however,* that the Company will not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon any such untrue statement or alleged untrue statement or omission or alleged omission made therein in reliance upon and in conformity with written information furnished to the Company by or on behalf of any Underwriter through the Representatives specifically for inclusion therein. This indemnity agreement will be in addition to any liability which the Company may otherwise have.

(b) Each Underwriter severally and not jointly agrees to indemnify and hold harmless the Company and each of its directors, officers, employees and agents, and each person who controls the Company within the meaning of either the Act or the Exchange Act, to the same extent as the foregoing indemnity from the Company to each Underwriter, but only with reference to written information relating to such Underwriter furnished to the Company by or on behalf of such Underwriter through the Representatives specifically for inclusion in the documents referred to in the foregoing indemnity. This indemnity agreement will be in addition to any liability which any Underwriter may otherwise have. The Company acknowledges that the statements set forth (i) in the last paragraph of the cover page of the Prospectus Supplement regarding the delivery of the Purchased Bonds, and (ii) under the heading "Underwriting" in the

Prospectus Supplement, (A) the first paragraph under the sub-heading “Commissions and Discounts” related to concessions and discounts and (B) the paragraphs under the sub-heading “Price Stabilization and Short Positions” related to stabilization, over-allotments, syndicate covering transactions and penalty bids (collectively, the “*Provided Statements*”), constitute the only information furnished in writing by or on behalf of the Underwriters for inclusion in the Registration Statement, any preliminary prospectus or the Prospectus (or in any amendment or supplement thereto), or any Issuer Free Writing Prospectus.

(c) Promptly after receipt by an indemnified party under this Section 8 of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under this Section 8, notify the indemnifying party in writing of the commencement thereof; but the failure so to notify the indemnifying party (i) will not relieve it from liability under paragraph (a) or (b) above unless and to the extent it did not otherwise learn of such action and such failure results in the forfeiture by the indemnifying party of substantial rights and defenses; and (ii) will not, in any event, relieve the indemnifying party from any obligations to any indemnified party other than the indemnification obligation provided in paragraph (a) or (b) above. The indemnifying party shall be entitled to appoint counsel of the indemnifying party’s choice at the indemnifying party’s expense to represent the indemnified party in any action for which indemnification is sought (in which case the indemnifying party shall not thereafter be responsible for the fees and expenses of any separate counsel retained by the indemnified party or parties except as set forth below); *provided, however*, that such counsel shall be satisfactory to the indemnified party. Notwithstanding the indemnifying party’s election to appoint counsel to represent the indemnified party in an action, the indemnified party shall have the right to employ separate counsel (including local counsel), and the indemnifying party shall bear the reasonable fees, costs and expenses of such separate counsel if (i) the use of counsel chosen by the indemnifying party to represent the indemnified party would present such counsel with a conflict of interest; (ii) the actual or potential defendants in, or targets of, any such action include both the indemnified party and the indemnifying party and the indemnified party shall have reasonably concluded that there may be legal defenses available to it and/or other indemnified parties which are different from or additional to those available to the indemnifying party; (iii) the indemnifying party shall not have employed counsel satisfactory to the indemnified party to represent the indemnified party within a reasonable time after notice of the institution of such action; or (iv) the indemnifying party shall authorize the indemnified party to employ separate counsel at the expense of the indemnifying party. An indemnifying party will not, without the prior written consent of the indemnified parties, settle or compromise or consent to the entry of any judgment with respect to any pending or threatened claim, action, suit or proceeding in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified parties are actual or potential parties to such claim or action) unless such settlement, compromise or consent (i) includes an unconditional release of each indemnified party from all liability arising out of such claim, action, suit or proceeding and (ii) does not include a statement as to, or an admission of, fault, culpability or a failure to act by or on behalf of an indemnified party.

(d) In the event that the indemnity provided in paragraph (a) or (b) of this Section 8 is unavailable or insufficient to hold harmless an indemnified party under section (a) or (b) above, then the Company and the Underwriters agree to contribute to the aggregate losses,

claims, damages and liabilities (including legal or other expenses reasonably incurred in connection with investigating or defending same) (collectively "Losses") to which the Company and one or more of the Underwriters may be subject in such proportion as is appropriate to reflect the relative benefits received by the Company on the one hand and by the Underwriters on the other from the offering of the Purchased Bonds. If the allocation provided by the immediately preceding sentence is unavailable for any reason, the Company and the Underwriters shall contribute in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the Company on the one hand and of the Underwriters on the other in connection with the statements or omissions which resulted in such Losses, as well as any other relevant equitable considerations. Benefits received by the Company shall be deemed to be equal to the total net proceeds from the offering (before deducting expenses) of the Purchased Bonds received by it, and benefits received by the Underwriters shall be deemed to be equal to the total purchase discounts and commissions with respect to the Purchased Bonds, in each case set forth on the cover of the Prospectus. Relative fault shall be determined by reference to, among other things, whether any untrue or any alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information provided by the Company on the one hand or the Underwriters on the other, the intent of the parties and their relative knowledge, information and opportunity to correct or prevent such untrue statement or omission; *provided, however*, that in no case shall any Underwriters (except as may be provided in any agreement among the Underwriters relating to the offering of the Purchased Bonds) be responsible for any amount in excess of the purchase discount or commission applicable to the Purchased Bonds purchased by such Underwriters hereunder; *provided, further*, that each Underwriter's obligation to contribute to Losses hereunder shall be several and not joint. The Company and the Underwriters agree that it would not be just and equitable if contribution were determined by pro rata allocation or any other method of allocation which does not take account of the equitable considerations referred to above. Notwithstanding the provisions of this paragraph (d), no person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. For purposes of this Section 8, each person who controls an Underwriter within the meaning of either the Act or the Exchange Act and each director, officer, employee and agent of an Underwriter shall have the same rights to contribution as such Underwriter, and each person who controls the Company within the meaning of either the Act or the Exchange Act and each officer, director, employee or agent of the Company shall have the same rights to contribution as the Company, subject in each case to the applicable terms and conditions of this paragraph (d).

9. *Default by an Underwriter.* If any one or more Underwriters shall fail to purchase and pay for any of the Purchased Bonds agreed to be purchased by such Underwriter or Underwriters hereunder and such failure to purchase shall constitute a default in the performance of its or their obligations under this Agreement, the remaining Underwriters shall be obligated severally to take up and pay for (in the respective proportions which the amount of the Purchased Bonds set forth opposite their names in Schedule II hereto bears to the aggregate amount of the Purchased Bonds set forth opposite the names of all the remaining Underwriters) the Purchased Bonds which the defaulting Underwriter or Underwriters agreed but failed to purchase, *provided, however*, that in the event that the aggregate principal amount of Purchased Bonds which the defaulting Underwriter or Underwriters agreed but failed to purchase shall exceed 10% of the aggregate principal amount of the Purchased Bonds set forth in Schedule II hereto, the remaining

Underwriters shall have the right to purchase all, but shall not be under any obligation to purchase any, of the Purchased Bonds, and if such nondefaulting Underwriters do not purchase all the Purchased Bonds, this Agreement will terminate without liability to any nondefaulting Underwriter or the Company. In the event of a default by any Underwriter as set forth in this Section 9, the Closing Date shall be postponed for such period, not exceeding five business days, as the Representatives shall determine in order that the required changes in the Registration Statement and the Prospectus Supplement or in any other documents or arrangements may be effected. Nothing contained in this Agreement shall relieve any defaulting Underwriter of its liability, if any, to the Company or any nondefaulting Underwriter for damages occasioned by its default hereunder.

10. *Termination.* This Agreement shall be subject to termination in the absolute discretion of the Representatives, by notice given to the Company prior to delivery of and payment for the Purchased Bonds, if at any time after the date hereof and prior to the delivery of and payment for the Purchased Bonds (i) trading in Exelon Corporation's common stock shall have been suspended by the Commission or the New York Stock Exchange or trading in securities generally on the New York Stock Exchange shall have been suspended or limited or minimum prices shall have been established on such Exchange; (ii) a banking moratorium shall have been declared either by federal or New York State authorities; (iii) a major disruption of settlements of securities or clearance services in the United States shall have occurred; or (iv) there shall have occurred any outbreak or escalation of hostilities, declaration by the United States of a national emergency or war or other calamity or crisis the effect of which on financial markets is such as to make it, in the sole judgment of the Representatives, impracticable or inadvisable to proceed with the offering or delivery of the Purchased Bonds as contemplated by the Prospectus.

11. *Representations and Indemnities to Survive.* The respective agreements, representations, warranties, indemnities and other statements of the Company or its officers and of the Underwriters set forth in or made pursuant to this Agreement will remain in full force and effect, regardless of any investigation made by or on behalf of the Underwriters or the Company or any of the officers, directors or controlling persons referred to in Section 8 hereof, and will survive delivery of and payment for the Purchased Bonds. The provisions of Sections 7 and 8 hereof shall survive the termination or cancellation of this Agreement.

12. *Notices.* All communications hereunder will be in writing and effective only on receipt, and, if sent to the Representatives, will be mailed, delivered or telefaxed to them at the address specified in Schedule I hereto, or, if sent to the Company, will be mailed, delivered or telefaxed to Commonwealth Edison Company, 440 South LaSalle Street, Suite 3300, Chicago, Illinois 60605-1028, Attention: Senior Vice President, Chief Financial Officer and Treasurer (fax no.: (312) 394-2867), with a copy to Exelon Corporation, 10 South Dearborn Street, 36th Floor, P.O. Both the principal of and interest on the bonds of Series 103 shall be payable in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts, and both such principal and interest shall be payable at the office or agency of the Company in the City of Chicago, State of Illinois, or, at the option

of the registered owner, at the office or agency of the Company in the Borough of Manhattan, The City of New York, State of New York, and such bonds shall be transferable and exchangeable, in the manner provided in Sections 3.09 and 3.10 of the Mortgage, at said office or agency. No charge shall be made by the Company to the registered owner of any bond of Series 103 for the transfer of such bond or for the exchange thereof for bonds of other authorized denominations, except, in the case of transfer, a charge sufficient to reimburse the Company for any stamp or other tax or governmental charge required to be paid by the Company or the Trustee.

SECTION 5. Denominations and Numbering of Bonds of Series 103. The bonds of Series 103 shall be issued in the denomination of \$1,000 and in such multiples of \$1,000 as shall from time to time hereafter be determined and authorized by the Board of Directors of the Company or by any officer or officers of the Company authorized to make such determination, the authorization of the denomination of any bond of Series 103 to be conclusively evidenced by the execution thereof on behalf of the Company. Bonds of Series 103 shall be numbered R-1 and consecutively upwards.

SECTION 6. Temporary Bonds of Series 103. Until definitive bonds of Series 103 are ready for delivery, there may be authenticated and issued in lieu of any thereof and subject to all of the provisions, limitations and conditions set forth in Section 3.11 of the Mortgage, temporary registered bonds without coupons of Series 103.

SECTION 7. Redemption of Bonds of Series 103. (a) The bonds of Series 103 shall be redeemable, at the option of the Company, as a whole or in part, at any time upon notice sent by the Company through the mail, postage prepaid, at least thirty (30) days and not more than forty-five (45) days prior to the date fixed for redemption, to the registered holder of each bond to be redeemed in whole or in part, addressed to such holder at his address appearing upon the registration books, at a redemption price equal to the greater of

- (1) 100% of the principal amount of the bonds of Series 103 to be redeemed, plus accrued interest to the redemption date, or
- (2) as determined by the Quotation Agent (as hereinafter defined), the sum of the present values of the remaining scheduled payments of principal and interest on the bonds of Series 103 to be redeemed (not including any portion of payments of interest accrued as of the redemption date) discounted to the redemption date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Adjusted Treasury Rate (as hereinafter defined) plus twenty-five (25) basis points, plus accrued interest to the redemption date.

Unless the Company defaults in payment of the redemption price, on and after the redemption date, interest will cease to accrue on the bonds of Series 103 or portions of the bonds of Series 103 called for redemption.

(b) For purposes of the foregoing Section 7(a), the following terms shall have the respective meanings set forth below:

"Adjusted Treasury Rate" means, with respect to any redemption date, the rate per year equal to the semi-annual equivalent yield to maturity of the Comparable Treasury Issue,

assuming a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for the redemption date.

"*Business Day*" means any day that is not a day on which banking institutions in New York City are authorized or required by law or regulation to close.

"*Comparable Treasury Issue*" means the United States Treasury security selected by the Quotation Agent as having a maturity comparable to the remaining term of the bonds of Series 103 that would be used, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term of the bonds of Series 103.

"*Comparable Treasury Price*" means, with respect to any redemption date:

(i) the average of the Reference Treasury Dealer Quotations for that redemption date, after excluding the highest and lowest of the Reference Treasury Dealer Quotations; or

(ii) if the Trustee obtains fewer than three Reference Treasury Dealer Quotations, the average of all Reference Treasury Dealer Quotations so received.

"*Quotation Agent*" means the Reference Treasury Dealer appointed by the Company.

"*Reference Treasury Dealer*" means (1) each of Lehman Brothers Inc., J.P. Morgan Securities Inc. and Morgan Stanley & Co. Incorporated and their respective successors, unless any of them ceases to be a primary U.S. Government securities dealer in New York City (a "*Primary Treasury Dealer*"), in which case the Company shall substitute another Primary Treasury Dealer; and (2) any other Primary Treasury Dealer selected by the Company.

"*Reference Treasury Dealer Quotations*" means, with respect to each Reference Treasury Dealer and any redemption date, the average, as determined by the Trustee, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Trustee by that Reference Treasury Dealer at 5:00 p.m., New York City time, on the third Business Day preceding that redemption date.

(c) In case the Company shall desire to exercise such right to redeem and pay off all or any part of such bonds of Series 103 as hereinbefore provided, it shall comply with all the terms and provisions of Article V of the Mortgage applicable thereto, and such redemption shall be made under and subject to the terms and provisions of Article V and in the manner and with the effect therein provided, but at the time or times and upon mailing of notice, all as hereinbefore set forth in this Section 7. No publication of notice of any redemption of any bonds of Series 103 shall be required under Section 5.03(a) of the Mortgage.

SECTION 8. Book-Entry Only System. It is intended that the bonds of Series 103 be registered so as to participate in the securities depository system (the "*DTC System*") with The Depository Trust Company ("*DTC*"), as set forth herein. The bonds of Series 103 shall be initially issued in the form of a

fully registered bond or bonds in the name of Cede & Co., or any successor thereto, as nominee for DTC. The Company and the Trustees are authorized to execute and deliver such letters to or agreements with DTC as shall be necessary to effectuate the DTC System, including the Letter of Representations from the Company and the Trustees to DTC relating to the bonds of Series 103 (the "*Representation Letter*"). In the event of any conflict between the terms of the Representation Letter and the Mortgage, the terms of the Mortgage shall control. DTC may exercise the rights of a bondholder only in accordance with the terms hereof applicable to the exercise of such rights.

With respect to bonds of Series 103 registered in the name of DTC or its nominee, the Company and the Trustees shall have no responsibility or obligation to any broker-dealer, bank or other financial institution for which DTC holds such bonds from time to time as securities depository (each such broker-dealer, bank or other financial institution being referred to herein as a "*Depository Participant*") or to any person on behalf of whom such a Depository Participant holds an interest in such bonds (each such person being herein referred to as an "*Indirect Participant*"). Without limiting the immediately preceding sentence, the Company and the Trustees shall have no responsibility or obligation with respect to:

- (i) the accuracy of the records of DTC, its nominee or any Depository Participant with respect to any ownership interest in the bonds of Series 103,
- (ii) the delivery to any Depository Participant or any Indirect Participant or any other person, other than a registered owner of a bond of Series 103, of any notice with respect to the bonds of Series 103, including any notice of redemption,
- (iii) the payment to any Depository Participant or Indirect Participant or any other person, other than a registered owner of a bond of Series 103, of any amount with respect to principal of, redemption premium, if any, on, or interest on, the bonds of Series 103, or
- (iv) any consent given by DTC as registered owner.

So long as certificates for the bonds of Series 103 are not issued as hereinafter provided, the Company and the Trustees may treat DTC or any successor securities depository as, and deem DTC or any successor securities depository to be, the absolute owner of such bonds for all purposes whatsoever, including, without limitation, (1) the payment of principal and interest on such bonds, (2) giving notice of matters (including redemption) with respect to such bonds and (3) registering transfers with respect to such bonds. While a bond of Series 103 is in the DTC System, no person other than DTC or its nominee shall receive a certificate with respect to such bond.

In the event that:

- (a) DTC notifies the Company that it is unwilling or unable to continue as depository or if DTC ceases to be a clearing agency registered under applicable law and a successor depository is not appointed by the Company within 90 days,
- (b) the Company determines that the beneficial owners of the bonds of Series 103 should be able to obtain certificated bonds and so notifies the Trustees in writing or

(c) there shall have occurred and be continuing a completed default or any event which after notice or lapse of time or both would be a completed default with respect to the bonds of Series 103,

the bonds of Series 103 shall no longer be restricted to being registered in the name of DTC or its nominee. In the case of clause (a) of the preceding sentence, the Company may determine that the bonds of Series 103 shall be registered in the name of and deposited with a successor depository operating a securities depository system, as may be acceptable to the Company and the Trustees, or such depository's agent or designee, and if the Company does not appoint a successor securities depository system within 90 days, then the bonds may be registered in whatever name or names registered owners of bonds transferring or exchanging such bonds shall designate, in accordance with the provisions hereof.

Notwithstanding any other provision of the Mortgage to the contrary, so long as any bond of Series 103 is registered in the name of DTC or its nominee, all payments with respect to principal of and interest on such bond and all notices with respect to such bond shall be made and given, respectively, in the manner provided in the Representation Letter.

SECTION 9. Legends. So long as the bonds of Series 103 are held by DTC, such bonds of Series 103 shall bear the following legend:

Unless this bond is presented by an authorized representative of the Depository Trust Company, a New York corporation ("DTC"), to the Company or its agent for registration of transfer, exchange or payment, and any bond issued is registered in the name of Cede & Co. or in such other name as is requested by an authorized representative of DTC (and any payment is made to Cede & Co. or to such other entity as is requested by an authorized representative of DTC), any transfer, pledge or other use hereof for value or otherwise by a person is wrongful inasmuch as the registered owner hereof, Cede & Co., has an interest herein.

SECTION 10. Confirmation of Lien. The Company, for the equal and proportionate benefit and security of the holders of all bonds at any time issued under the Mortgage, hereby confirms the lien of the Mortgage upon, and hereby grants, bargains, sells, transfers, assigns, pledges, mortgages, warrants and conveys unto the Trustees, all property of the Company and all property hereafter acquired by the Company, other than (in each case) property which, by virtue of any of the provisions of the Mortgage, is excluded from such lien, and hereby confirms the title of the Trustees (as set forth in the Mortgage) in and to all such property. Without in any way limiting or restricting the generality of the foregoing, there is specifically included within the confirmation of lien and title hereinabove expressed the property of the Company legally described on Exhibit A attached hereto and made a part hereof.

SECTION 11. Miscellaneous. The terms and conditions of this Supplemental Indenture shall be deemed to be a part of the terms and conditions of the Mortgage for any and all purposes. The Mortgage, as supplemented by said indentures supplemental thereto dated subsequent to August 1, 1944 and referred to in the recitals of this Supplemental Indenture, and as further supplemented by this Supplemental Indenture, is in all respects hereby ratified and confirmed.

This Supplemental Indenture shall bind and, subject to the provisions of Article XIV of the Mortgage, inure to the benefit of the respective successors and assigns of the parties hereto.

Although this Supplemental Indenture is dated as of February 22, 2006, it shall be effective only from and after the actual time of its execution and delivery by the Company and the Trustees on the date indicated by their respective acknowledgments hereto annexed.

Notwithstanding anything to the contrary contained in the Mortgage, the maximum amount of indebtedness secured by the Mortgage shall not exceed 200% of the aggregate stated principal amount of the bonds of each series presently outstanding under, and secured by, the Mortgage, as set forth in the Recitals to this Supplemental Indenture, except to the extent such maximum amount may be adjusted by a subsequent recorded supplemental indenture (which adjustment, and the corresponding supplemental indenture, shall not require the consent or approval of the holders of any bonds then outstanding under the Mortgage, including the holders of the bonds of Series 103).

This Supplemental Indenture may be simultaneously executed in any number of counterparts, and all such counterparts executed and delivered, each as an original, shall constitute but one and the same instrument.

IN WITNESS WHEREOF, Commonwealth Edison Company has caused this Supplemental Indenture to be executed in its name by its Senior Vice President, Chief Financial Officer and Treasurer, and attested by its Secretary, and BNY Midwest Trust Company, as Trustee under the Mortgage, has caused this Supplemental Indenture to be executed in its name by one of its Vice Presidents, and attested by one of its Vice Presidents, and D.G. Donovan, as Co-Trustee under the Mortgage, has hereunto affixed his signature, all as of the day and year first above written.

Re: \$325,000,000 aggregate principal amount of First Mortgage 5.90% Bonds, Series 103, Due March 15, 2036

Ladies and Gentlemen:

We have acted as counsel to Commonwealth Edison Company, an Illinois corporation (the "Company"), in connection with the issuance and sale by the Company of \$325,000,000 aggregate principal amount of First Mortgage 5.90% Bonds, Series 103, Due March 15, 2036 (the "Bonds"), covered by the Registration Statement on Form S-3, No. 333-99363 (as amended, the "Registration Statement"), initially filed by the Company and ComEd Financing III, a statutory trust created under the laws of the State of Delaware, with the Securities and Exchange Commission ("SEC") on September 10, 2002, under the Securities Act of 1933, as amended.

The Bonds were issued under the Company's Mortgage (the "Mortgage"), dated July 1, 1923, as amended and supplemented, between the Company and Illinois Merchants Trust Company, as trustee (BNY Midwest Trust Company, as current successor trustee), and D.G. Donovan, as co-trustee (collectively, the "Bonds Trustees"), which Mortgage is governed by Illinois law, and sold by the Company pursuant to the Underwriting Agreement, dated as of February 27, 2006, between the Company and J.P. Morgan Securities Inc., Lehman Brothers Inc. and Morgan Stanley & Co. Incorporated, as representatives of the several underwriters named therein.

For the purpose of expressing the opinions and statements in this opinion letter, we have examined and relied upon a copy of the Registration Statement and the exhibits filed therewith. We have also examined originals, or copies of originals certified to our satisfaction, of such agreements, documents, certificates of officers of the Company and the Bond Trustees and statements of government officials and other instruments, and have examined such questions of law and have satisfied ourselves as to such matters of fact, as we have considered relevant and necessary as a basis for this opinion letter. We have assumed the genuineness of all signatures, the legal capacity of all natural persons, the authenticity of all documents submitted to us as originals and the conformity with the original documents all documents submitted to us as certified or photostatic copies or by facsimile or other means of electronic transmission or which

we obtained from the Electronic Data Gathering, Analysis and Retrieval System (EDGAR) of the SEC or other internet sites through which documents filed with the SEC can be obtained. With respect to any instrument or agreement executed or to be executed by any party other than the Company, we have assumed, to the extent relevant to the opinions set forth herein, that (i) such other party (if not a natural person) has been duly formed or organized and is validly existing and in good standing under the laws of its jurisdiction of formation or organization and (ii) such other party has full right, power and authority to execute, deliver and perform its obligations under each instrument or agreement to which it is a party and each such instrument or agreement has been duly authorized (if applicable), executed and delivered by, and is a valid, binding and enforceable agreement or obligation, as the case may be, of, such other party.

Based on the foregoing, and subject to the limitations hereinafter set forth, we are of the opinion that:

1. The Company is duly incorporated and validly existing under the laws of the State of Illinois.
2. The Bonds are legally issued and binding obligations of the Company enforceable against the Company in accordance with their respective terms (except to the extent enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium, fraudulent transfer or other similar laws affecting the enforcement of creditors' rights generally and by the effect of general principles of equity, regardless of whether considered in a proceeding in equity or at law).

This opinion letter is limited to the federal laws of the United States of America and the laws of the State of Illinois.

We do not find it necessary for the purposes of this opinion letter to cover, and accordingly we express no opinion as to, the application of the securities or blue sky laws of the various states or the District of Columbia to the Bonds.

We hereby consent to the filing of this letter as Exhibit 5-1-4 to the Registration Statement and the references to our firm included in or made a part of the Registration Statement.

Very truly yours,

/s/ Sidley Austin LLP
