

Enrollment Form for Rider BGS-L
For Customers 3 MW or Greater

Exhibit 1.3

Customer Name: Citation Oil & Gas Corp
Account Number: 68212-99851
Address: 2302 Hoots Chapel Rd
City: Odin, IL

Accounts with a demand 1 MW or greater at any time between February 1, 2005 and January 31, 2006 have the option to take service on Ameren's Rider BGS-L for the period from January 2, 2007 through May 31, 2008. The account listed above meets this criterion.

The Enrollment Window will begin September 22 and will end on October 21 for accounts with a demand of 3MW or greater.

By returning this signed Enrollment Form during the Enrollment Window with the "Yes" checked, the account listed above will be served on Rider BGS-L from January 2, 2007 through May 31, 2008. The account will not be eligible to take power and energy service from a Retail Electric Supplier or under one of Ameren Company's Real Time Pricing options until June 1, 2008.

By returning this signed Enrollment Form during the Enrollment Window with the "No" checked, the account listed above will be ineligible for Rider BGS-L for the period of January 2, 2007 through May 31, 2008. The account will only be eligible for power and energy service under the Ameren Company's Real Time Pricing options or from a Retail Electric Supplier. The next opportunity to take service on Rider BGS-L will begin June 1, 2008.

If you fail to return this form during the Enrollment Window the account's default supply option will depend upon whether the account is served by a Retail Electric Supplier or an Ameren Company electric supply tariff:

- **Accounts served on an Ameren Company electric supply tariff** at the end of the Enrollment Window that fail to return this form will be served on Rider BGS-L as their power supply option from January 2, 2007 through May 31, 2008.
- **Accounts served by a Retail Electric Supplier** at the end of the Enrollment Window that fail to return this form will continue to be served by that Supplier on January 2, 2007. If the Supplier drops the account, the account will be served on Rider RTP-L or another Retail Electric Supplier. The account will not be eligible for service on Rider BGS-L until June 1, 2008.

To indicate your intent to enroll in Rider BGS-L or opt out of Rider BGS-L, please check the appropriate box below and return this signed form during the Enrollment Window by mail to:

Manager Regulatory Compliance
Ameren
PO Box 66149, MC 1301
St. Louis, MO 63166-6149

The form may also be faxed to Manager Regulatory Compliance at 314-554-3639 or scanned and emailed to ManagerRegulatoryCompliance@Ameren.com. All forms must be signed regardless of the method of return.

Yes, I want the above account to receive power supply on Rider BGS-L. I understand that this account must remain on Rider BGS-L between January 2, 2007 and May 31, 2008.

No, I do not want the above account to receive power supply on Rider BGS-L. I understand that the only options available to this account between January 2, 2007 and May 31, 2008 are Real Time Pricing options or service from a Retail Electric Supplier.
