5. CHANGE IN CIRCUMSTANCES

The Contract Price for Electricity is established in reliance on the accuracy of information provided to Seller concerning Buyer's load requirements. Any incremental costs incurred by Seller as a result of inaccuracies in any such information provided to Seller may be passed through to Buyer.

The Contract Price for Electricity is established in reliance on the existing Laws, rates, charges, Capacity and Network Transmission Obligations, RTO operations, market structure, congestion zone design and protocols that are in effect as of the Addendum Date. The Contract Price may also include costs for RTO provided services. In the event of changes in the above that cause additional costs or savings to Seller, Seller may pass through such costs to Buyer.

6. BROKER FEES. Buyer hereby acknowledges that a third party broker may have been used for this transaction and understands that all compensation paid to a broker by Seller will be included in the Contract Price.

This Addendum is subject to the Schedule(s) identified below and that are attached hereto:
