**Commonwealth Edison Company's Response to  
Illinois Commerce Commission ("STAFF") Data Requests  
RP 1.01 - 1.11  
Dated: April 14, 2010**

**REQUEST NO. RP 1.02:**

Please provide total amount of DICs and BSMICs, individually, incurred to date by the Company. How has the Company funded the DICs and BSMICs incurred to date? If the response is contained in the Company's direct testimony, please provide a specific citation to where the response is contained in the Company's direct testimony.

**RESPONSE:**

ComEd has not determined the amounts of DICs and BSMICs incurred to date. However, ComEd will include these values in an updated response to this DR or in its rebuttal testimony if and when additional details are determined.

ComEd has funded the costs associated with these projects, as it does with all capital projects, through a combination of debt and equity.
