OF THE ENVIRONMENTAL LAW & POLICY CENTER**

Pursuant to 83 Ill. Admin. Code 200.200 the Environmental Law & Policy Center (“ELPC”), through its counsel, petitions the Illinois Commerce Commission for leave to intervene in the above-captioned matter. In support of its petition, ELPC states the following:

2. On August 31, 2010 Commonwealth Edison Company (“ComEd”) filed a petition requesting approval of a alternative regulation pilot plan. The alternative regulation pilot raises a number of issues that will have an effect on the environment and that ELPC has a direct interest in, including an electric vehicle program.
3. ELPC has members in Illinois who are ComEd customers and who contribute directly to support ELPC’s programs. ELPC represents many Illinois residents.
4. ELPC and its members will be directly and materially affected by the outcome of this proceeding. ELPC’s Illinois members will be directly and materially affected by the issues related to electric vehicles and other elements in ComEd’s alternative regulation pilot.

5. ELPC agrees to accept service by electronic means as per Section 200.1050.

WHEREFORE, for the above stated reasons, ELPC requests that leave to intervene be granted by the Commission and it be made a party to this proceeding, and requests that all orders, notices, correspondence, pleadings, testimony and other documents be served upon the undersigned.
