MODIFICATION OF FINAL PLAN APPROVED MARCH 25th, 1992

NARRATIVE STATEMENT

The Southwest Central 9-1-1 System, an intergovernmental cooperation and joint emergency systems telephone board, consisting of the Village of Chicago Ridge, the City of Palos Heights, the City of Palos Hills, the Village of Palos Park, the Village of Worth, and the Village of Lemont has been providing 9-1-1 service since June 21, 1992. Its' Final Plan was approved by the Commerce Commission and Final Order entered on March 25th, 1992.

The Village of Crestwood, which had previously created an Emergency Telephone Board in 1993, dissolved the same to merge by ordinance with the Village of Alsip in a Joint Board in 2008. The Alsip-Crestwood Joint Emergency Telephone System Board has been dissolved both by Village ordinances and Board action.

The Village of Crestwood has joined the Southwest Central 9-1-1 System Board, a joint emergency systems telephone board, and Southwest Central Dispatch, a public safety answering point, by enacting the necessary and appropriate municipal ordinances and resolutions. All types of 9-1-1 calls for service for and from the Village of Crestwood will be routed directly to Southwest Central Dispatch, located at 7611 W. College Drive, Palos Heights, Il 60463, by AT&T upon approval of the Final Plan modification requested of the Commerce Commission.

The purpose of this petition is to comply with the statutory and administrative requirements, under Part 725, for the modification of the approved Final Plan of the Southwest Central 9-1-1 System Dispatch to incorporate the Village of Crestwood as a member of the joint emergency telephone system board, Southwest Central 9-1-1 System.
