~~1st~~ 2nd Revised Sheet No. 100
(Canceling Original Sheet No. 100)RATE MSPS
METERING SERVICE PROVIDER SERVICE

(Continued from Sheet No. 99)

RATES AND CHARGES (CONTINUED)

* **METERING EQUIPMENT REMOVAL CHARGES.**

For any retail customer (a) that elects to be provided with Metering Service from an MSP; and (b) (i) to which the High Voltage Delivery Class, Extra Large Load Delivery Class, or the Railroad Delivery Class is applicable; or (ii) to which certain other circumstances are applicable which require the Company, as determined by the Company, to remove Company-provided metering equipment from the retail customer's premises because of safety, reliability, or data integrity risks, the Company removes Company-provided metering equipment from the retail customer's premises and the following metering equipment removal charges are applicable to the MSP for each visit made to such retail customer's premises:

Single Phase Meters

Charge for the first meter removed	\$108.75
Charge for each additional meter removed	\$46.25

Three Phase and Transformer-Rated Meters (at or under 500 volts)

Charge for the first meter removed	\$138.86
Charge for each additional meter removed	\$67.28

Transformer-Rated Meters (over 500 volts)

Charge for the first meter removed	\$147.74
Charge for each additional meter removed	\$72.36

Instrument Transformers

Current Transformers Only	
Charge for the first set removed	\$140.29
Charge for each additional set removed	\$68.71

Current Transformers and Potential Transformers

Charge for the first set removed	\$220.10
Charge for each additional set removed	\$144.72

Cellular Telephones

Charge for the first telephone removed	\$140.29
Charge for each additional telephone removed	\$68.71

In the event that any combination of meters, instrument transformers, and telephones is removed during a single visit, and either one meter is a Transformer Rated Meter (over 500 volts) or one set of instrument transformers includes current transformers and potential transformers, then such meter or set of instrument transformers is considered the first item removed and all other items are considered additional items removed. Otherwise, in the event that any combination of meters, instrument transformers, and telephones is removed during a single visit, and either one meter is a Three Phase or Transformer Rated Meter (at or under 500 volts), one set of instrument transformers includes current transformers only, or a telephone is removed, then such meter, set of current transformers, or telephone is considered the first item removed and all other items are considered additional items removed.
