Re: Illinois Commerce Commission Docket No. 10-0467
Commonwealth Edison Company, ILL. CC. No. 10
Proposed General Increase in Electric Service Rates

Dear Ms. Rolando:

On November 22, 2010, Commonwealth Edison Company (“ComEd”) filed with the Illinois Commerce Commission (“Commission”) rebuttal testimony, including ComEd Ex. 29.2. ComEd discovered that Workpaper WPB-2.1a, which is included in ComEd Ex. 29.2, contains an inadvertent error. Column C of Workpaper WPB-2.1a has been corrected to reflect year to date October removal spend to the correct investment tracking numbers (ITNs). This correction only impacts the removal cost by ITN and slightly by category, there is no impact on total removal cost or any other Part 285 schedule. In particular, Workpaper WPB-2.1a, contained in ComEd Ex. 29.2 Revised, was corrected as follows:

- Column (C), Back Office: Change “115,153” to “121”916”
- Column (C), Capacity Expansion: Change “2,511,491” to “1,976,597”
- Column (C), Corrective Maintenance: Change “37,328,481” to “37,848,787”
- Column (C), Facility Relocation: “12,053,279” to “10,717,781”
- Column (C), New Business: Change “4,795,726” to “6,088,811”
- Column (C), System Performance: “8,919,987” to “8,930,326”
- Column (C), Customer\Non Ops: “2,534,064” to “2,573,962”
- Column (C), Communications Equipment\SCADA: “237,420” to “55,453”
- Column (C), Real Estate: “672,231” to “679,537”
- Column (C), Other General Plant: “392,531” to “597,805”

Additionally, the supporting documentation for Workpaper WPB-2.1 a, which is pages 2 through 14 of ComEd Ex. 29.2, has been corrected accordingly.

A copy of this letter and enclosures are also being sent to Mr. Gene Beyer (Bureau Chief, Bureau of Public Utilities), Mr. Harry L. Stoller (Director, Energy Division), and Ms. Joy Nicdao-Cuyugan (Director, Financial Analysis Division) of the Commission's Staff.

Sincerely,

A handwritten signature in black ink, appearing to read "E. Glenn Rippie", written over a horizontal line.

E. Glenn Rippie
