Once an emergency unit is dispatched in response to a request through the system, such unit shall render its services to the requesting party without regard to whether the unit is operating outside its normal jurisdictional boundaries.

The legislative intent is that 9-1-1 be used for Emergency calls only. Therefore all calls of an administrative or non-emergency nature shall be referred to your agency's published telephone number.

The PSAP agrees to keep all records, times and places of calls. All records will be available to all participants of the 9-1-1 system.

It shall be the responsibility of your agency to maintain the report of the call and the disposition of each call received.

All agreements, management, records and service will be the responsibility of the advisory and policy board.
