

La Salle County

Emergency Telephone System Board

E-911

Date: April 14, 2009

For 9-1-1 Emergency Communications

This agreement is made between the Public Safety Answering Point, hereinafter referred to as "PSAP" and the ~~Mendota-Troy Grove~~ Ambulance for the purpose of effective handling and routing of 9-1-1 emergency calls.

CALL HANDLING

The La Salle County Emergency Communications PSAP receiving a call for Emergency Services in your jurisdiction shall dispatch the call in the following manner:

Primary: (815) 539-~~9334~~ 3434

Secondary: Radio Freq. 155.370

AID OUTSIDE JURISDICTION BOUNDARY

Once an emergency unit is dispatched in response to a request through the system, such unit shall render its services to the requesting party without regard to whether the unit is operating outside its normal jurisdictional boundaries.

The legislative intent is that 9-1-1 be used for Emergency calls only. Therefore all calls of an administrative or non-emergency nature shall be referred to your agency's published telephone number.

The PSAP agrees to keep all records, times and places of calls. All records will be available to all participants of the 9-1-1 system.

It shall be the responsibility of your agency to maintain the report of the call and the disposition of each call received.

All agreements, management, records and service will be the responsibility of the advisory and policy board.

Once an emergency unit is dispatched in response to a request through the system, such unit shall render its services to the requesting party without regard to whether the unit is operating outside its normal jurisdictional boundaries.

The legislative intent is that 9-1-1 be used for Emergency calls only. Therefore all calls of an administrative or non-emergency nature shall be referred to your agency's published telephone number.

The PSAP agrees to keep all records, times and places of calls. All records will be available to all participants of the 9-1-1 system.

It shall be the responsibly of your agency to maintain the report of the call and the disposition of each call received.

All agreements, management, records and service will be the responsibly of the advisory and policy board.

Exhibit 10

QUESTIONNAIRE

YES NO

- 1) Do you agree to abide by all rules as prescribed by the 9-1-1 Act and Illinois Administrative Code 725?
- 2) Will 9-1-1 be the primary published emergency telephone number within the area served by system?
- 3) Will automatic dialing type alarms be permitted on 9-1-1 lines/
- 4) Will the PSAP have a designated overflow answering station that can be utilized if the call volume exceed that which the telecommunicator on duty is able to handle?
- 5) Will the PSAP have an emergency power source?
What type? **Waukesha F-1197-G 6 Cyl Generator 170KW Powered by Natural Gas**
- 6) Does the system have an Emergency Telephone System Board appointed as prescribed by the Emergency Telephone System Act?
- 7) Will management develop and write "Standard Operating Procedures" for PSAP personnel concerning the call handling agreements and the requirements of 83 Illinois Administrative Code 725?
- 8) If applicable, will PSAP management, prior to activating the system, establish written procedures for all tracing with all the telephone companies involved in the system?
Not Applicable
- 9) Will PSAP management, prior to activating the system, establish written procedures for the repair of equipment and restoration of services?
- 10) Will PSAP management develop procedures for providing 9-1-1 service in the event that critical functions of the PSAP are partially disable due to natural or man-made disaster?
- 11) Will PSAP management, prior to activating the system, file with the Commission the written procedures that have been established and are in place, which are referred to in Questions 7, 8 and 9?
- 12) Will the PSAP have a teletypewriter (TTY) to use in answering calls made by the hearing impaired for each answering position? If not, please elaborate on number of TTY's. **TDD/TTY will be handled using the Vesta software built into the 911 answering equipment. All 5 answering positions are equipped with this capability.**
Is there a backup TTY unit at each PSAP?
- 13) Will the PSAP utilize a TTY PSAP Based Voice Annunciator?
- 14) Will 9-1-1 be the emergency number for TTY calls?
If not, what telephone number will be utilized?

- 15) Will adequate training be provided to PSAP personnel in the use of TTY's?
- 16) Do you have any dedicated 7 digit lines used for TTY calls that will be disconnected when 9-1-1 is operated?
- 17) If so, have arrangements been made to provide an announcement to TTY user's informing them that 9-1-1 should now be dialed for emergencies?
- 18) What response will be initiated by the PSAP for calls where verbal contact can not be established?
Call back in attempt to establish communications. If unsuccessful, send Police or Sheriff's Deputy to the location of the Call

THE TELEPHONE COMPANY(S) WILL ASSIST YOU IN ANSWERING THESE QUESTIONS

YES NO

20) Is there a cell site in your area that would result in cellular 9-1-1 calls arriving at your PSAP?

21) Do you have procedures in place to accept and handle cellular 9-1-1 calls?

22) What considerations has management made to insure that private residential and private business switch services are provided the same level of 9-1-1 as public agency(s) and telecommunications carrier(s) are providing other end users of the local 9-1-1 System, as required by the Emergency Telephone System Act, 50 ILCS 750.01 et seq.?

23) Will the telephone directories that will be affected by the proposed system have 9-1-1 listed as the primary emergency number?

24) What type of trunking arrangement will be used to provide incoming 9-1-1 trunks? (Please check appropriate item).

- a. Dedicated Directed
- b. Tandem
- c. Combination of a & b

25) Is your selective router being provisioned by the local exchange carrier?

26) Please provide in detail the features to be provided by your selective router.

Selective Routing will be provided by Frontier North Inc, out of the Bloomington Router.

27) Will 9-1-1 circuits utilize alternate routing per the definition under 83 Illinois Administrative Code, Part 725?

28) Will pay phones within the system's boundaries be appropriately placarded and have 9-1-1 coin-free dialing?

29) Will critical telephone equipment be utilized in the PSAP which will not operate properly during or after a power fluctuation or interruption has been experienced?

If yes, describe the power supply used to prevent a loss of operation.

Dispatch Center operations are on a system wide UPS system which will handle power situations necessary until the Backup Generator can assume power delivery to the center.

30) On a separate sheet, diagram the trunking arrangement(s) used and the number of 9-1-1 circuits for each switching office to the PSAP. Please label diagram as Exhibit 10, Question .

31) Please provide a detailed testing plan that explains specifically how the 911 Network and database will be tested and provide the time frame in which this will be done.

LASALLE COUNTY

FRONTIER PROPRIETARY INFORMATION ONLY RELEASEABLE TO ETSS OFFICIALS AND THE ILLINOIS COMMERCE COMMISSION.

TEST PLAN

Testing will be conducted with the assistance of the emergency services going out into their service areas, randomly knocking on doors and requesting the occupant dial 911 and provide the requested information to the dispatcher. They will also be conducting random calls to individuals requesting that they call 911 and validate their name, address and phone number. Testing will randomly cover a minimum of 40% of each telephone exchange within the proposed Enhanced 9-1-1 System.

**PUBLIC NOTICE
NOTICE OF FILING**

Notice is hereby given that LaSalle County is filing with the Illinois Commerce Commission an application for approval of an Enhanced 9-1-1 Emergency Telephone Number System.

Said filing will have 911 calls from the rural areas and several of the smaller communities of LaSalle County, being routed to and answered at the LaSalle County Sheriff's Department. Emergency services will be dispatched to the appropriate calls from the LaSalle County Sheriff's Department dispatch center.

If you wish to object to the application, it is required that you do so within ten (10) days from the date of this notice by writing to the:

9-1-1 Program
Illinois Commerce Commission
527 East Capitol Avenue
Post Office Box 19280
Springfield, Illinois 62794-9280

If no objections are filed, the application will be submitted to the Illinois Commerce commission for approval of an Enhanced 9-1-1 Emergency Telephone Number System.

Sheriff Thomas Templeton, Chairman
