RE: Illinois Commerce Commission Docket No. 10-0527  
Commonwealth Edison Company  
Petition for approval of an Alternative Rate Regulation Plan pursuant to Section  
9-244 of the Public Utilities Act

Dear Ms. Rolando:

On August 31, 2010, Commonwealth Edison Company (“ComEd”) filed with the Illinois Commerce Commission (“Commission”) its Petition for approval of an Alternative Rate Regulation Plan. ComEd has identified clerical and inadvertent errors in its Initial Post-Hearing Brief that was filed on February 17, 2011. ComEd now submits its Revised Initial Post-Hearing Brief and the following errata:

- Page 11, the first full paragraph: the last sentence has been deleted as it inadvertently referred to originally filed testimony as opposed to the revised testimony.
- Page 11: the subsection heading caption has been changed from “1. Recovery of Capital Investments” to “3. Recovery of Capital Investments”
- Page 12: the subsection heading caption has been changed from “2. Treatment of Costs Under/Over Budget” to “4. Treatment of Costs Under/Over Budget”

A copy of this letter and enclosures are also being sent to Mr. Gene Beyer (Bureau Chief, Bureau of Public Utilities), Mr. Harry L. Stoller (Director, Energy Division), and Ms. Joy Nicdao-Cuyugan (Director, Financial Analysis Division) of the Commission’s Staff.

Sincerely,

E. Glenn Rippie
