ILLINOIS
COMMERCE COMMISSION

**JOINT PETITION FOR REVIEW OF AN
ARBITRATED INTERCONNECTION AGREEMENT**

Illinois Bell Telephone Company ("Ameritech Illinois") and SCC Communications Corp. ("SCC") respectfully petition the Commission to review pursuant to 47 U.S.C. § 252(e) the attached arbitrated interconnection agreement between the parties, and state as follows:

1. On March 21, 2001, the Commission issued its Arbitration Decision in Docket 00-0769, an arbitration between SCC and Ameritech Illinois pursuant to section 252(b) of the Telecommunications Act of 1996 ("1996 Act"). The Arbitration Decision directed the parties to file within 15 days of the date of service, *i.e.*, by April 9, 2001, an interconnection agreement conforming with the award for the Commission to review pursuant to section 252(e) of the 1996 Act.

2. On April 9, 2001, Ameritech Illinois filed a motion in Docket 00-0769 requesting an extension of two weeks, until April 23, 2001, for the filing of the conforming agreement.

3. Also on April 9, 2001, SCC filed with the Commission the Petition of SCC Communications Corp. for Review of an Arbitrated Interconnection Agreement (the "SCC Petition for Review"), attached to which was the proposed interconnection agreement for which SCC sought the Commission's review.

4. Thereafter:

(a) the Hearing Examiners in Docket 00-0769 set a schedule for the briefing of Ameritech Illinois' motion to extend the date for a joint filing of the parties' interconnection agreement, and

(b) the Commission opened this Docket, No. 01-0308, to take up the SCC Petition for Review, and a pre-hearing conference was conducted on April 17, 2001.

5. The parties have worked together to arrive at an interconnection agreement to submit jointly to the Commission pursuant to the Commission's Arbitration Decision in Docket 00-0769, and are now in a position to make such a joint submission.

6. Accordingly, the parties hereby submit to the Commission the attached interconnection agreement, consisting of (a) terms and conditions on which the parties agreed without the aid of arbitration, and (b) terms and conditions that the parties believe faithfully reflect the Commission's determinations in the Arbitration Decision.

7. The parties request that the Commission review the attached interconnection agreement pursuant to section 252(e) of the Telecommunications Act of 1996.

8. The parties will separately advocate either approval or rejection of the attached interconnection agreement, in whole or in part, in subsequent submissions in this docket. The parties reserve all rights in this docket and in Docket 00-0769, and neither party, by joining in this submission, waives any position it asserted in either of those dockets or that it might assert in any judicial review of the Arbitration Decision Docket 00-0769 or of any Commission determination in this docket.

Respectfully submitted,
