

**Commonwealth Edison Company's Response to  
Illinois Commerce Commission ("STAFF") Data Requests  
PR 11.01 – 11.10**

**Date Received: October 15, 2010**

**Date Served: October 28, 2010**

**REQUEST NO. PR 11.04:**

Please provide all projections, including all associated workpapers and other documentation, developed or reviewed by ComEd regarding the number of residential customers who may choose to take service from a RES for each calendar year beginning in calendar year 2009 through calendar year 2014.

**RESPONSE:**

ComEd objects to this as calling for facts and documents that are not relevant or material to this proceeding. Without waving this objection or any of ComEd's General Objections, ComEd responds as follows:

Please refer to ComEd's Response to Staff Data Request PR 11.08 for ComEd's latest residential customer projection pertaining to RES service.

Prior to the projection referenced above, ComEd provided projections to the Illinois Power Agency in July 2009 and updated those projections in October 2009. The July 2009 IPA filing by ComEd can be found on the ICC website in e-docket under docket number 09-0373 as part of the IPA's proposed plan.

The projections of residential customer taking RES service by the end of years 2010 through 2014 based on the October 2009 updated projections, which were used by the IPA in its procurement efforts during the spring of 2010, are as follows (rounded to the nearest 1,000):

2010: 0  
2011: 6,000  
2012: 6,000  
2013: 12,000  
2014: 12,000
