Docket No. 11-0348

MOTION FOR CONFIDENTIAL TREATMENT

Viridian Energy PA LLC (“Viridian”) seeks to supply electricity to residential, commercial and industrial customers in Illinois. As such, Viridian has filed an application (“Application”) to be certified by the Illinois Commerce Commission (the “Commission”) as an Alternative Retail Electric Service (“ARES”) provider pursuant to Section 16-115 of the Public Utilities Act and 83 Ill. Adm. Code 451. In accordance with the applicable regulations, Viridian is required to submit financial and managerial information in its Application. Certain financial information included in Attachment 4 to the Application, namely, Viridian’s energy procurement strategy and practices, is confidential and propriety. Moreover, certain managerial information contained in Attachment 6 to the Application, namely, Viridian’s organizational structure and complaints received in other jurisdictions, is confidential and proprietary. The disclosure of such information contained in the Application would cause competitive harm to Viridian.

Therefore, pursuant to Section 200.430 of the Commission’s Rules of Practice, Viridian hereby files this Motion for Confidential Treatment seeking a Protective Order for certain financial and managerial information contained in Attachments 4 and 6 to the Application, respectively, for no less than two years. As set forth in Section 200.430(d), Viridian has

submitted a public Application with redacted versions of Attachments 4 and 6 along with a confidential Application that is intended solely for the Commission's review.

WHEREFORE, Viridian requests that the information redacted in the public version of its Application be treated as confidential and proprietary.

Respectfully submitted,
