4. Description of Applicant's business. [454.40(c)(1)]

Utilities Analyses, Inc. (UAI) is an energy services company which helps our clients manage their supply side utility expenditures. In states with regulated utilities UAI analyses current rates and tariffs to ensure our clients are on the lowest available tariff. In deregulated markets such as Illinois UAI will assist our clients in procuring low cost supply when it is competitive with price-to-compare rates.

5. A statement in support of application (including supporting documents and schedules if necessary) certifying the applicant meets the requirements of Section 16-115C of the Act. [454.40(d)(1)] Utilities Analyses, Inc., (UAI) has been serving clients since 1972, headquartered in Atlanta. UAI now manages over \$1.5 Billion in annual utility expenditures at over 13,000 facilities nationally. UAI's clients include states, municipalities and school systems as well as many Fortune 500 firms.

Over the years, UAI has remained privately owned and has no interests other than to serve our clients with the greatest amount of measurable results (savings) possible.

UAI now has 12 professionals on staff with over 226 years of utility company pricing experience; 122 years are reflective of working for utilities and 104 years working for UAI.

Since Utilities Analyses does not sell or trade any commodity and/or supply energy equipment, our entire focus is objective and supplier-neutral.
