To Whom it may Concern:

I would like to recommend Mr. Arvind "Vinu" Patel representing Texas Energy Savings, as a prospective consultant for your electricity service and energy procurement needs.

Mr. Patel began working with Green Mountain Energy in April of 2006 and has managed a substantial portfolio of clients ranging from Hotels to Restaurants. Arvind tracks the natural gas market on a daily basis in order effectively advise his customers on current market conditions. One of Arvind's attributes that helps separate him from the rest of the broker community is that he continues to engage his customers throughout the term of their agreements and makes sure they are continually satisfied with the services that are being provided.

Sincerely,

Casey Luna
