PETITION FOR CONFIDENTIAL TREATMENT

NOW COMES, Unified Energy Services, LLC ("Petitioner") and hereby petitions the Illinois Commerce Commission ("Commission") for relief to protect Petitioner's number of client transactions and financial statements submitted as part of the requirement of the ABC 2010 Recertification Report from disclosure for not less than four years in order to protect proprietary information included therein. In support of this Petition, Petitioner states as follows:

The Petitioner fears that the information in these reports would be used by its competitors in a manner that would prove unfair in the marketplace. The Petitioner's competitors would be able to use the information to make informed estimates regarding the number of the Petitioner's clients, as well as the amount of services fees charged by the Petitioner to its clients. This information will give an unfair advantage to the competitors of the Petitioner and would substantially harm business operations.

WHEREFORE, Petitioner respectfully requests that the Commission enter an Order, without hearing, protecting from disclosure in its entirety the Financial Statements for a period of not less than four years.

DATED this 20th day of June, 2011.

Respectfully submitted,

Michael Harris
