Dear Ms. Rollando,

Re: Motion for Confidential Treatment Sustainable Star ARES License Application

Please find enclosed an addendum to the ARES application. Enclosed are the "redacted" sections of the documents Sustainable Star seeks a motion for confidential treatment. The relevant pages have been copied in such a way as to "white out" the sensitive content.

The relevant document is as follows:

1. **The Amendment to Teaming Agreement** with Sustainable Star and a key supplier
This is a confidential document in which both parties to the signed agreement have pledged to keep the terms of their business relationship confidential. Publication of this document would result in Sustainable Star breaching that agreement and cause damage to both companies.

We are grateful for your consideration of this matter.

Yours truly,

Roy Dunbar

Chairman Sustainable Star
