Re: Escrow Request – Texas Delta and California Delta

Dear Ms. Taff-Rice:

Reference is hereby made to that certain Interconnection Agreement Under Sections 251 and 252 of the Telecommunications Act of 1996 (the "Interconnection Agreement") by and between certain AT&T Inc. owned ILECs (the "AT&T ILECs") and Infotelecom, LLC ("Infotelecom"), as amended by that certain First Amendment Superseding Certain Intercarrier Compensation, Interconnection and Trunking Provisions (the "First Amendment", and together with the Interconnection Agreement, collectively referred to as the "ICA"). All capitalized terms not defined herein shall have the meanings ascribed to such terms as set forth in the ICA.

As you know, by way of letter dated January 14, 2011, the AT&T ILECs advised Infotelecom that the eleven (11) day period within which to negotiate a resolution of the California Delta (as defined below) and the Texas Delta (as defined below) had commenced. By way of letter dated February 1, 2011, the AT&T ILECs agreed to extend the eleven (11) day period to February 4, 2011. As of the date hereof, the parties have failed to reach a resolution with respect to the California Delta and the Texas Delta.

Accordingly, the AT&T ILECs hereby request that Infotelecom comply with Sections 7.3 and 7.4 of the First Amendment and pay \$1,684,793.36 (the "California Delta") and \$765,300.26 (the "Texas Delta"), on or before February 23, 2011 (the "Escrow Deadline"), together with all additional amounts which accrue on a going forward basis, into separate interest bearing escrow accounts with a mutually agreed upon First Party escrow agent. Kindly contact Dave Egan, Lead Credit Analyst for AT&T Wholesale, at (414) 227-6624 on or before the Escrow Deadline to make arrangements regarding the establishment of the interest bearing escrow accounts. Provided that Infotelecom complies with the foregoing escrow request, the AT&T ILECs are willing to continue the negotiations with Infotelecom regarding a resolution of the California Delta and the Texas Delta.

The AT&T ILECs hereby reserve any and all rights and remedies it has under the ICA and/or by law, including but not limited to, the AT&T ILECs (i) immediate right to pursue the total current Delta in accordance with Section 7.3 of the First Amendment and (ii) right to collect late payment charges due and owing in connection with the total current Delta.

Sincerely,

Marc A. DeNegri
