## Managerial Licensure Qualifications

Indications described below display that the applicant meets and exceeds requirements set forth by the Form for ABC Applicants in compliance with Section 454.60, Managerial Licensing Requirements.

### **Section 454.60 | Managerial Licensing Requirements**

*a) An applicant shall be deemed to possess sufficient managerial capabilities to provide agency, brokering or consulting services if the applicant can demonstrate that it has had at least one year of management experience with a business enterprise.*

Please direct your attention to item accompanying this document entitled Company & Officer Background Summary and ECC Corporate Organizational Chart. The item meets the request listed above indicating a need for managerial capabilities expressing a demonstration that it has over one year of management experience. The item states and describes that the applicant nears 7 years of **successful** management experience to be more precise.

*b) The applicant shall include in its application an exhibit containing occupational background information on the persons who are being used to satisfy the requirements of this Section.*

Please direct your attention to item accompanying this document entitled Company & Officer Background Summary and ECC Corporate Organizational Chart which shall serve as the requested exhibit. The item describes the occupational history background for applicant used to satisfy the requirements set forth in this section.

*c) The applicant shall include in its application an exhibit containing a corporate organizational chart and indicating the position of persons indicated in subsection (a) of this Section.*

Please direct your attention to item accompanying this document entitled ECC Corporate Organizational Chart which shall serve as the requested exhibit.
