

**ICC Docket No. 11-0280**  
**North Shore Gas Company's Response to**  
**Interstate Gas Supply Data Requests IGS 4.01-4.03**  
**Dated: August 2, 2011**

**REQUEST NO. IGS 4.02:**

Has any provider of warranty products (i.e. products that compete with Peoples Home Energy Services' Peoples Energy Protection Program) that is not affiliated with the Companies requested to have the Companies provide access to the utility bill?

- a. If so, please list every company that has done so.
- b. For each instance where a company has requested access to the utility bill, please provide the utility's response. Please fully describe in detail the basis for the Companies' position in each instance.
- c. Please provide all correspondence other documents related to a. and b. above.

**RESPONSE:**

Please see Peoples Gas' response to IGS 4.02.
