***Re: Release of Service to Sam and Paul Miller***

Dear Mr. Gilson:

We hereby request that M.J.M. Electric Cooperative, Inc. (MJM), rather than Ameren Illinois Company d/b/a Ameren Illinois, furnish service (up to and including a 400 amp, 240 volt, single phase service) to the current pole barn and future residence and any associated outbuildings (e.g. detached garages, sheds and barns) to be located at 19237 Dartmouth Road, Chesterfield, IL, 62630 in Macoupin County, Illinois (N ½ of SW ¼ of the SW ¼ of Section 30, T10N, R8W), located in the electric service territory of Ameren Illinois.

This request is made pursuant to Section 4 of the Service Area agreement entered into by the parties, Central Illinois Public Service Company (n/k/a Ameren Illinois) and M.J.M. Electric Cooperative, Inc., on May 26, 1969 and in derogation of Ameren Illinois' right to serve the property as established by the service territories of the respective parties approved by the Illinois Commerce Commission in Docket No. ESA 104 (Order entered July 23, 1969).

In consideration of Ameren Illinois' agreement to allow us to request and obtain service from M.J.M. Electric Cooperative, we fully and forever release Ameren Illinois', its officers, employees and affiliates, from any claim or causes of action under state or federal antitrust law, unfair trade practices act, any provision of the Illinois Electric Supplier Act, and the Illinois Public Utilities Act. Nothing herein shall impose any duty or obligation on Ameren Illinois' to ensure that MJM provides us with adequate service or facilities.
