

Attachment C: Managerial Qualifications

David Wanounou, President of HIKO Energy, has 9 years of experience in trading and hedging. In his previous position as Executive Vice-President of Global Procurement for a Fortune 1000 company, David oversaw multiple projects and took a primary role in budget planning and cost monitoring, key parts of his responsibilities at HIKO Energy.

Brian Gottesman, the Director/ Risk Management, has 3 years of experience in trading, strategic buying and hedging, and commodity pricing. Brian's background in commodity trading and real estate is strongly suited for his role as HIKO Energy's primary energy trader.

HIKO's customers are a large combination of residential and commercial consumers. We are currently serving 9,061 gas customers and 11,656 electric customers.

HIKO uses E C Power Systems to manage the back end. We work with larger pipelines, such as TGT (Tennessee Gas Transmission), TGP (Tennessee Gas Pipeline), Tetco (Texas Eastern Transmission Pipeline), Transco (Transcontinental Gas Pipeline), DTI (Dominion Transmission Inc.), Trans Canada, and AGT (Algonquin Gas Transmission).
