Re: Expansion of Business Relationship

Dear Wayne,

This letter memorializes the recently completed Energy Management Agreement (EMA) between EDF Trading North America, LLC ("EDF") and Santanna Energy Services (together with its affiliates, "Santanna") and the expansion of our business relationship to include wholesale power sales.

EDF acknowledges that Santanna is currently working to obtain an "ARES" license. To support Santanna's ARES license, EDF has agreed to provide the "technical capabilities" necessary for Santanna to fulfill the "ARES" Technical Qualification requirements set forth in Section 451.330 of the Illinois Administrative Code, as defined in Article V of the EMA

In addition, EDF acknowledges that the credit facility currently in place with Santanna encompassing the EMA, Lock Box and Security Agreements will be referenced as part of Santanna's ARES application for the Financial Qualifications under IL Administrative Code Part 451.320(a)(2). The credit facility is valid for a sufficient period of time according to Part 451.320(a)(2)(B) and is for a sufficient amount as referenced in Part 451.320(a)(2)(A).

If you are in agreement with the concepts set forth in this letter, please sign below and return to Hou_Contract_Admin@edftrading.com. Feel free to give Matt Maley a call at (630) 922-3485 should you have any additional questions.

Sincerely,

Eric Dennison
General Counsel

Agreed and Accepted:

Santanna Energy Services
