In a hearing conducted March 28, 2012, regarding 365 Wireless, LLC's Application (specifically Exhibit C) referenced above, Judge Benn directed the Company to provide additional information, attached hereto, in support of the Application.

In the Company's original Application, submitted January 25, 2012, Mr. Ron Grob was identified as one of the individuals who performed certain technical and managerial functions for the Applicant. A description of Mr. White's background and qualifications was included as part of the Company's original Application.

Applicant is hereby submitting the required information on BackUP Telecom and also i2Gemini Consulting in support of the Company's Application.
