

ICC Docket No. 11-0588

**The People of The State of Illinois (“AG”) Data Responses to
Commonwealth Edison Company’s (“ComEd”) Second Set of Data Requests
AG 2.01 – 2.042**

Data Responses Provided by George E. Owens, P.E.

REQUEST NO. AG 2.09:

Please identify each utility for which Mr. Owens has developed a vegetation management plan or vegetation management standards. For each, state the date on which the plan for first authored and, if Mr. Owens has been retained to update such plan, the date of each update.

RESPONSE

Mr. Owens has not independently developed a vegetation management plan or vegetation management standards for any utilities. However, he has worked with municipally owned utilities to provide advice on, review, and implement their tree trimming policies throughout his career.
