Jonesboro Fire Department
Michael Hunter, Chief
102 W. Market St.
Jonesboro, IL 62952

This **AGREEMENT** is made and entered into by and between the Alexander County Emergency Telephone System Board, hereinafter referred to as "**ACETSB**", Pulaski County Emergency Telephone System Board, hereinafter referred to as "**PCETSB**" and the Jonesboro Fire Department, herein referred to as "**JFD**"

Whereas, The State of Illinois has enacted into law the "Emergency Telephone System Act" at 50ILCS 750/0.01 et seq.;, and

Whereas, the voters of Alexander County, Illinois by binding referendum at the General Election held November 1996, passed by a majority of the votes cast upon the question a provision for imposing a surcharge in an amount not to exceed \$3.00 per month per network connection on telecommunication carriers for the purpose of installing and maintaining a 9-1-1 emergency telephone system; and

Whereas, the County of Alexander has enacted into law various ordinances establishing a 9-1-1 Emergency Telephone System and an Emergency Telephone System Board known as the Alexander County Emergency Telephone System Board; and

Whereas, the ACETSB has established an enhanced 9-1-1 Emergency Telephone system for purposes of dispatching emergency services to the public and residents of Alexander County, Illinois, and

Whereas, it is necessary to determine the manner and procedure for effective handling and routing of enhanced 9-1-1 emergency calls by and between Alexander County, Illinois and the **JFD**;

Now, Therefore, in consideration of the promises and of mutual covenants and agreements set forth herein, the **ACETSB**, **PCETSB** and the **JFD** do hereby agree as follows;

The Purpose of the Alexander County 9-1-1 System is to provide the most convenient and efficient emergency service to the citizens of Alexander County and its municipalities. In recognition of this purpose, the following call handling agreement has been devised to facilitate call handling between and for the parties.

1. Should **Pulaski/Alexander County PSAP** receive a call for emergency services in the area served by the **Jonesboro Fire Department**, the call shall be transferred to the **Union County PSAP** located in Union County in the following manner:

PRIMARY: Direct Dispatch Frequency 159.50

SECONDARY: Telephone number 618-833-5500

In the event telephone communication is not possible, Pulaski/Alexander County PSAP may contact the Union County PSAP via L.E.A.D.S. computer network (CDC: CRS or CRR).

2. The parties agree to keep all record, times and places of the 9-1-1 calls on file as specified herein. All such records shall be available to the parties. The parties shall maintain records as required by the Illinois Commerce Commission including the reports of all calls, their times and dispositions.
3. Once an emergency unit is dispatched in response to a 9-1-1 request for service and subsequently determines the address/location is outside of its jurisdiction, it shall render aid without regard to its jurisdictional boundaries until relieved.
4. Any other responses by agencies providing emergency service outside of the respective serving area, except as noted above, shall be made in accordance with established mutual aid procedures and agreements in effect at that time.
5. Any agreements or changes in agreements and/or operating policies must be approved by the parties hereto and any other agency providing emergency service which is effected.

**Mound City Fire Department
307 Walnut St.
Mound City, IL. 62963**

This **AGREEMENT** is made and entered into by and between the Alexander County Emergency Telephone System Board, hereinafter referred to as "**ACETSB**", Pulaski County Emergency Telephone System Board, hereinafter referred to as "**PCETSB**" and the Mound City Fire Department, herein referred to as "**MCFD**"

Whereas, The State of Illinois has enacted into law the "Emergency Telephone System Act" at 50ILCS 750/0.01 et seq., and

Whereas, the voters of Alexander County, Illinois by binding referendum at the General Election held November 1996, passed by a majority of the votes cast upon the question a provision for imposing a surcharge in an amount not to exceed \$3.00 per month per network connection on telecommunication carriers for the purpose of installing and maintaining a 9-1-1 emergency telephone system: and

Whereas, the County of Alexander has enacted into law various ordinances establishing a 9-1-1 Emergency Telephone System and an Emergency Telephone System Board known as the Alexander County Emergency Telephone System Board; and

Whereas, the ACETSB has established an enhanced 9-1-1 emergency telephone system for purposes of dispatching emergency services to the public and residents of Alexander County, Illinois, and

Whereas, it is necessary to determine the manner and procedure for effective handling and routing of enhanced 9-1-1 emergency calls by and between Alexander County, Illinois and the **MCFD**;

Now, Therefore, in consideration of the promises and of mutual covenants and agreements set forth herein, the **ACETSB** and the **MCFD** do hereby agree as follows;

The Purpose of the Alexander County 9-1-1 System is to provide the most convenient and efficient emergency service to the citizens of Alexander County and its municipalities. In recognition of this purpose, the following call handling agreement has been devised to facilitate call handling between and for the parties.

36. Should Alexander County PSAP receive a call for emergency services in the area served by the **Mound City Fire Department**, the call shall be transferred to the **Pulaski County PSAP** located in Pulaski County in the following manner:

PRIMARY: Direct Dispatch Frequency 154.190

SECONDARY: Telephone number 618-~~300~~-748-9124

In the event telephone communication is not possible, Alexander County PSAP may contact the Pulaski County PSAP via L.E.A.D.S. computer network .

37. The parties agree to keep all record, times and places of the 9-1-1 calls on file as specified herein. All such records shall be available to the parties. The parties shall maintain records as required by the Illinois Commerce Commission including the reports of all calls, their times and dispositions.
38. Once an emergency unit is dispatched in response to a 9-1-1 request for service and subsequently determines the address/location is outside of its jurisdiction, it shall render aid without regard to its jurisdictional boundaries until relieved.
39. Any other responses by agencies providing emergency service outside of the respective serving area, except as noted above, shall be made in accordance with established mutual aid procedures and agreements in effect at that time.
40. Any agreements or changes in agreements and/or operating policies must be approved by the parties hereto and any other agency providing emergency service which is effected.

Executed this 17 day of November, 2011.

Union County Ambulance
204 W. Mississippi St.
Jonesboro, Illinois 62952

This **AGREEMENT** is made and entered into by and between the Alexander County Emergency Telephone System Board, hereinafter referred to as "**ACETSB**", Pulaski County Emergency Telephone System Board, hereinafter referred to as "**PCETSB**" and the Union County Ambulance Service, herein referred to as "**UCAS**"

Whereas, The State of Illinois has enacted into law the "Emergency Telephone System Act" at 50ILCS 750/0.01 et seq., and

Whereas, the voters of Alexander County, Illinois by binding referendum at the General Election held November 1996, passed by a majority of the votes cast upon the question a provision for imposing a surcharge in an amount not to exceed \$3.00 per month per network connection on telecommunication carriers for the purpose of installing and maintaining a 9-1-1 emergency telephone system: and

Whereas, the County of Alexander has enacted into law various ordinances establishing a 9-1-1 Emergency Telephone System and an Emergency Telephone System Board known as the Alexander County Emergency Telephone System Board; and

Whereas, the ACETSB has established an enhanced 9-1-1 emergency telephone system for purposes of dispatching emergency services to the public and residents of Alexander County, Illinois, and

Whereas, it is necessary to determine the manner and procedure for effective handling and routing of enhanced 9-1-1 emergency calls by and between Alexander County, Illinois and the UCAS;

Now, Therefore, in consideration of the promises and of mutual covenants and agreements set forth herein, the **ACETSB**, **PCETSB** and the **UCAS** do hereby agree as follows;

The Purpose of the Alexander County 9-1-1 System is to provide the most convenient and efficient emergency service to the citizens of Alexander County and its municipalities. In recognition of this purpose, the following call handling agreement has been devised to facilitate call handling between and for the parties.

1. Should **Pulaski/Alexander County PSAP** receive a call for emergency services in the area served by the **Union County Ambulance Service**, the call shall be transferred to the **Union County PSAP** located in Union County in the following manner:

PRIMARY: Direct Dispatch Frequency 159.50

SECONDARY: Telephone number 618-833-5500

In the event telephone communication is not possible, Pulaski/Alexander County PSAP may contact the Union County PSAP via L.E.A.D.S. computer network (CDC: CRS or CRR).

2. The parties agree to keep all record, times and places of the 9-1-1 calls on file as specified herein. All such records shall be available to the parties. The parties shall maintain records as required by the Illinois Commerce Commission including the reports of all calls, their times and dispositions.
3. Once an emergency unit is dispatched in response to a 9-1-1 request for service and subsequently determines the address/location is outside of its jurisdiction, it shall render aid without regard to its jurisdictional boundaries until relieved.
4. Any other responses by agencies providing emergency service outside of the respective serving area, except as noted above, shall be made in accordance with established mutual aid procedures and agreements in effect at that time.
5. Any agreements or changes in agreements and/or operating policies must be approved by the parties hereto and any other agency providing emergency service which is effected.
